

SECURITIES AND EXCHANGE BOARD OF INDIA

ORDER

Under Section 12(3) of the Securities and Exchange Board of India Act, 1992 read with Regulation 27 of the Securities and Exchange Board of India (Intermediaries) Regulations, 2008

In respect of –

Name of the Noticee	SEBI Registration No.	PAN
Siddhi Vinayak Commodities Private Limited	INZ000059530	AAJCS6706N

In the matter of National Spot Exchange Limited

BACKGROUND

1. The present proceedings originate from the Enquiry Report dated October 25, 2019, submitted by the Designated Authority (hereinafter referred to as “**DA**”) in terms of regulation 27 of the SEBI (Intermediaries) Regulations, 2008 (hereafter referred to as “**Intermediaries Regulations**”) as applicable at the relevant point in time. The DA, based on the facts noted in the said enquiry report, has recommended that the Certificate of Registration of Siddhi Vinayak Commodities Private Limited (hereinafter referred to as the “**noticee**”) as a stock broker bearing registration No. INZ000059530 may be cancelled.
2. In this regard, a DA was appointed to enquire into and submit a report pertaining to the acts of the noticee and into the possible violations of regulations 5(e), 9(b) and 9(f) of the SEBI (Stock Brokers) Regulations, 1992 (hereinafter referred to as “**Stock**

Brokers Regulations") read with Schedule II of the Intermediaries Regulations, alleged to have been committed by the noticee.

3. After conducting the enquiry as envisaged under regulation 25 of the Intermediaries Regulations, on the basis of material available on record and after considering the replies filed by the noticee, the DA submitted an enquiry report dated October 25, 2019 (hereinafter referred to as '**Enquiry Report**') in respect of the noticee and found that the noticee, as a stock broker of the National Spot Exchange Limited (hereinafter referred to as "**NSEL**"), had dealt in the trading of the '*paired contracts*' on the exchange platform of NSEL, which was in violation of the applicable provisions of erstwhile Forward Contracts (Regulation) Act, 1952 (hereinafter referred to as "**FCRA**") and the conditions specified in the Government of India Notification dated June 05, 2007 (hereinafter referred to as "**2007 Exemption Notification**"). It was also observed in the Enquiry Report that the continuance of the Certificate of Registration of the noticee as a stock broker (having Registration No. INZ000059530) is detrimental to the interest of the securities market and that the noticee is not a '*fit and proper*' person to hold the Certificate of Registration bearing No. INZ000059530 as a stock broker in the Securities Markets which is one of the conditions for grant/holding/ continuance of registration, in terms of regulations 5(e), 9(b) and 9(f) of the Stock Brokers Regulations read with Schedule II of the Intermediaries Regulations. The DA, in view of the aforesaid finding, has recommended that the Certificate of Registration of the noticee as a trading/ clearing member may be cancelled.

4. The relevant excerpt of the Enquiry Report is reproduced below:

"43. In view of the facts and circumstances of the case and material available on records, it is determined that the Noticee is not a fit and proper person in terms of Regulation 5(e) of the Stock Broker Regulations read with Schedule II of the Intermediaries Regulations. Therefore, in terms of Regulation 27 of the Intermediaries Regulations, it is recommended that the certificate of registration of the Noticee i.e. Siddhi Vinayak

Commodities Pvt. Ltd., registered with SEBI as a trading and clearing member bearing Registration No. INZ000059530 may be cancelled, in the interest of the securities market.”

5. Pursuant to the same, a Post Enquiry Show Cause Notice dated January 15, 2020 (hereinafter referred to as “**SCN**”) enclosing therewith the Enquiry Report of the DA and certain other material/information as specified in the said SCN, was issued to the noticee under regulation 28(1) of the Intermediaries Regulations (as applicable at the relevant time) calling upon it to show cause as to why the action of cancellation of Certificate of Registration, as recommended by the DA or any other action as may be considered appropriate by the Competent Authority, should not be taken against it, in terms of regulation 28(2) of the Intermediaries Regulations (as applicable at the relevant time). The SCN further advised the noticee to submit its reply, if any, within 21 days of receipt of the said SCN. The noticee filed its reply vide letter dated February 10, 2020.
6. Subsequently, due to certain administrative exigencies, the competent authority of SEBI, reallocated the present matter to the undersigned for further proceedings.
7. Meanwhile, SEBI passed five separate orders rejecting the applications filed by five other entities for registration as commodity brokers in the NSEL matter. Aggrieved by the said SEBI orders, the entities filed separate appeals before the Hon’ble Securities Appellate Tribunal (hereinafter referred to as “**Hon’ble SAT**”). The Hon’ble SAT vide its common order dated June 9, 2022, remanded the aforesaid SEBI orders to SEBI to decide these matters afresh within six months from the date of the said SAT order. While remanding the aforesaid SEBI orders, the Hon’ble SAT *inter alia* held as under:

“42....The matters are remitted to the WTM to decide the matter afresh in the light of the observations made aforesaid in accordance with law after giving an opportunity of hearing to the brokers. All issues raised by the brokers for

which a finality has not been reached remains open for them to be raised before the WTM. It will be open to the WTM to rely upon other material such as the complaint letters of NSEL, EOW report, EOW charge sheet, etc. provided such copies are provided to the brokers and opportunity is given to rebut the allegations. Such additional documents relied upon by the respondent should form part of the show cause notice for which purpose, it will be open to the WTM to issue a supplementary show cause notice...

8. In light of the aforesaid SAT order and certain other subsequent orders passed by the Hon'ble SAT in similar set of cases from time to time, it was felt necessary to furnish certain additional documents/material to the noticee before concluding the present proceedings. Accordingly, SEBI vide Supplementary SCN dated October 11, 2022 (hereinafter referred to as "**SSCN**" and collectively SCN and SSCN being referred to as "**SCNs**") provided certain additional documents/material (as indicated in the SSCN) to the noticee and advised it to submit its reply/comments/clarifications in addition to its earlier replies, if any, within 15 days of receipt of the SSCN. The noticee was further informed that if no reply is received within 15 days of receipt of the SSCN, it would be presumed that it had no additional comments/reply to submit and the matter would be proceeded in terms of the provisions contained in the Intermediaries Regulations. The SSCN was sent to the noticee through *Speed Post Acknowledgement Due* (for short '**SPAD**') vide letter dated October 11, 2022. The SSCN was also sent to the noticee through email dated October 13, 2022 along with the intimation that an opportunity of hearing has been granted to the noticee on November 22, 2022. The noticee vide email of October 31, 2022, acknowledged receipt of the hard copy of the SSCN and vide letter dated November 19, 2022, submitted its reply to the SSCN. Vide email dated November 22, 2022, the noticee requested to reschedule the hearing scheduled on November 22, 2022 as it had received the intimation of personal hearing vide email dated November 21, 2022, i.e., one day prior to the scheduled date of hearing.

Accordingly, in the interest of justice, another opportunity of hearing was granted to the noticee on December 13, 2022.

9. On the scheduled date of hearing, Mr. Vijay Kumar Jalan, Director of the noticee along-with Advocate Anurag Roy, Authorized Representative of the noticee, appeared through video conferencing and made submissions on the lines of reply submitted earlier by the noticee. As requested, ten days' time was granted to the noticee to file post hearing submissions in the matter and, accordingly, the noticee vide letter dated December 19, 2022, filed the post hearing submissions.
10. The replies filed by the noticee vide its letters dated February 10, 2020; November 19, 2022 and December 19, 2022, along with the oral submissions made during the course of the personal hearing are summarized hereunder:
 - i. The recommendation made by the DA about the noticee not being a 'fit and proper' person seems to be arbitrary and based on assumptions without taking into the fact that the noticee was a victim and not a culprit;
 - ii. A small broker such as the noticee had no reason to suspect the contracts marked 'SPTCOM' launched by NSEL which was a Spot Exchange governed by the Government authorities;
 - iii. The noticee had limited trading activities on the NSEL platform and it duly paid the dues. The noticee, neither had any control on the management of NSEL nor had any 'close association' with NSEL or any of its managing authority. Accordingly, the noticee's reputation, competence, fairness, honesty, integrity and character should not be doubted;
 - iv. The commodities traded by the noticee were all under the label 'SPTCOM' which were related to the spot commodities on NSEL and the noticee had no idea/ knowledge about paired contracts;
 - v. The noticee being a member of NSEL cannot be the sole ground for penalizing the noticee rather the noticee is one of the small brokers who seek clearance of their dues from NSEL;

- vi. The noticee is fit and proper as far as its honesty and character is concerned as the noticee is an aggrieved member and not the defaulting member;
- vii. The noticee never asked its clients to invest money on the NSEL Platform rather the noticee invested its own funds for spot trading. The same proves the genuineness and *bonafide* intention of the noticee, and if the noticee was aware about the bad delivery against such spot contracts, the noticee would have never utilized its own funds to NSEL;
- viii. The noticee never defaulted with respect to its payments on NSEL rather the noticee has not yet received its own funds of more than ₹14 lacs from NSEL;
- ix. The noticee requests the Competent Authority to do the needful and recover the dues to be remitted to the noticee from NSEL;
- x. The noticee wishes to surrender its Certificate of Registration, bearing no. INZ000059530 and the noticee, accordingly, requests the Competent Authority to cancel the same without any penal provision;
- xi. The noticee never participated in any transaction involving paired contracts at any material time and noticee's transactions involved spot contracts. The said fact is further corroborated from the fact that the DA in the Enquiry Report has observed that the investigating authorities have no record/ details of the trades carried out by the noticee and the spot transactions entered into by the noticee have been erroneously indicated as being akin to the paired contracts;
- xii. The noticee was a victim of short-selling and the noticee was not provided with any warehouse receipts for the commodities brought by it and on the due dates for delivery, the noticee found out that there was no underlying stock available with the NSEL at its warehouses;

- xiii. The noticee relied upon the warehouse bills provided by NSEL and it cannot be held responsible for shortcomings in NSEL's monitoring and auditing capabilities;
- xiv. The noticee did not induce any of its clients/persons/ institution to invest in trading of any spot contracts on the NSEL platform;
- xv. The noticee denies that it did not perform adequate diligence with respect to the transactions entered into by the noticee. the transactions executed by the noticee were marked as 'SPTCOM' which indicated that the contracts were spot contracts;
- xvi. The trades carried out by the noticee were proprietary trades and the noticee did not execute any client trades.
- xvii. The noticee vide its letter dated February 14, 2019 has applied for surrender of its trading membership of M the Multi Commodity Exchange of India Ltd. (hereinafter referred to as "**MCX**").

CONSIDERATION OF ISSUE AND FINDINGS

11. I have carefully perused the SCNs issued to the noticee, the Enquiry Report, the replies dated February 10, 2020, November 19, 2022, December 19, 2022 and the oral submissions made on behalf of the noticee during the course of the personal hearing and other material/information available on record. After considering the allegations made/charges levelled against the noticee in the instant matter as spelt out in the SCNs, the issue which arises for my consideration in the present proceedings is whether the noticee satisfies the '*fit and proper person*' criteria as laid down under Schedule II of the Intermediaries Regulations and whether the Certificate of Registration granted to the noticee should be cancelled, as recommended by the DA or any other action should be taken against the noticee.

12. Before I proceed to examine the issue, as stated above, vis-à-vis the material available on record before me, it would be appropriate at this stage, to refer to the relevant provisions of the law applicable, which are alleged to have been violated by the noticee and/or are referred to in the present proceedings. The same are reproduced below for reference:

- (i) disposing of the proceedings without any adverse action;*
- (ii) cancellation of the certificate of registration;*
- (iii) suspension of the certificate of registration for a specified period;*
- (iv) prohibition of the noticee from taking up any new assignment or contract or launching a new scheme for such the period as may be specified;*
- (v) debarment of an officer of the noticee from being employed or associated with any registered intermediary or other person associated with the securities market for such period as may be specified;*
- (vi) debarment of a branch or an office of the noticee from carrying out activities for such period as may be specified;*
- (vii) issuance of a regulatory censure to the noticee:*

Provided that in respect of the same certificate of registration, not more than five regulatory censures under these regulations may be recommended to be issued, thereafter, the action as detailed in clause (ii) to (vi) of this sub-regulation may be considered.

Order.

27. (5) *After considering the facts and circumstances of the case, material on record and the written submission, if any, the competent authority shall endeavor to pass an appropriate order within one hundred and twenty days from the date of receipt of submissions under sub-regulation (2) or the date of personal hearing, whichever is later.”*

13. Prior to merger of FMC with SEBI on September 28, 2015, the noticee was required to be a member of recognized commodity derivative exchanges and was not required to be registered with either FMC or any other regulatory authority under the FCRA. The Parliament, noticing that the intermediaries dealing with commodities derivatives market were not required to be registered under FCRA and thus were not under control of any competent authority, rectified the same through the Finance Act, 2015 by bringing them under the regulatory supervision of SEBI. In this regard, it is also noted that the Hon'ble Bombay High Court while dealing with the Writ Petition Nos. 3262, 3266, 3294 and 3295 of 2018 in the matter of *Anand Rathi Commodities Limited, Motilal Oswal Commodities Broker Private Limited, Geofin Comtrade Limited and IIFL Commodities Limited vs. SEBI* vide its Order dated October 04, 2018, observed as under:

“It is not in dispute that prior to the coming into effect of the Finance Act, 2015, the intermediaries dealing with the commodity derivatives were not required to be registered under any of the provisions of law including the FCR Act. We find that the said mischief was noticed by the Parliament. As such, by virtue of the Finance Act, 2015, the said intermediaries dealing with commodity derivatives have been brought under the control of SEBI. We find that the reason as to why by Finance Act, 2015, the said intermediaries were brought under the control of SEBI appears to be that the Parliament found that the activities of intermediaries dealing in commodity derivatives should not remain uncontrolled and they should be brought under the control of competent authority”.

14. Thus, it is an admitted position that prior to the date of merger of FMC with SEBI (i.e. September 28, 2015), the noticee was not required to be registered under the FCRA or any other regulation to act as a commodity derivatives broker. However, after the merger of FMC with SEBI, a commodity derivatives broker was mandatorily needed to have a certificate of registration from SEBI in case it sought to remain associated with the securities market as a commodity derivatives broker. It is seen that the Finance Act, 2015 (as notified on

May 14, 2015) conferred the power of regulation over intermediaries dealing in commodity derivatives to SEBI and also mandated regulation of commodity derivatives brokers by SEBI, which included their registration as commodity derivatives broker with SEBI. In this regard, vide Section 131B of the Finance Act, 2015, a transitory period of 3 months was provided to all the intermediaries which were associated with commodity derivatives market under the erstwhile FCRA but did not require a registration certificate earlier, to continue to deal in commodity derivatives as a commodity derivatives broker, provided it made an application of registration to SEBI within 3 months from September 28, 2015. Accordingly, the noticee applied for a certificate of registration and was registered as a broker with effect from December 22, 2015 and since then it has been acting as a market intermediary registered with SEBI.

15. In light of the order passed by the Hon'ble SAT on June 09 2022, as mentioned at paragraph 7 above (hereinafter referred to as "**SAT Order**") in the NSEL matters, a SSCN dated October 11, 2022 enclosing a copy of the SAT Order was issued to the noticee calling upon the noticee to show cause as to why the following information/material along with the enquiry report dated October 25, 2019 should not be considered against it for determining whether the noticee satisfies '*fit and proper person*' criteria as laid down under Schedule II of the Intermediaries Regulations:
 - a. SEBI complaint dated September 24, 2018 filed with Economic Offence Wing ('**EOW**');
 - b. First Information Report ('**FIR**') dated September 28, 2018; and
 - c. Amended Schedule II of the Intermediaries Regulations.
16. Before moving forward to consider the matter on merits and test the fulfilment of the '*fit and proper person*' criteria by the noticee, on the basis of available material including the additional material as detailed at paragraph 15 above, the background facts necessary for the present proceedings are narrated in brief, hereunder:

- i. The noticee, Siddhi Vinayak Commodities Private Limited, is a commodity derivatives broker registered with SEBI having Registration No. INZ000059530 with effect from December 22, 2015 and is currently a member of MCX.
- ii. NSEL was incorporated in May, 2005 as a Spot Exchange, *inter alia*, as an electronic exchange for trading in commodities. In exercise of powers conferred under Section 27 of the FCRA, the Central Government vide its 2007 Exemption Notification granted an exemption to all forward contracts of one-day duration for the sale and purchase of commodities traded on the NSEL from operations of the provisions of the FCRA subject to certain conditions, *inter alia*, including “*no short sale by the members of the exchange shall be allowed*” and “*all outstanding positions of the trades at the end of the day shall result in delivery*”.
- iii. NSEL was granted conditional exemption from the provisions of the FCRA by the Department of Consumer Affairs, Ministry of Consumer Affairs (for short “**MCA**”), Food and Public Distribution, Government of India, vide Gazette Notification No. S0906(E) dated June 05, 2007, in exercise of the powers conferred under Section 27 of the FCRA, for (i) forward contracts, (ii) for sale and purchase of the commodities, of one-day duration, traded on NSEL subject to certain conditions which, *inter alia*, included that ‘*no short sale by members of the NSEL shall be allowed*’ and that all ‘*outstanding positions of the trade at the end of the day shall result in delivery*’. It was also stipulated that all information or returns relating to the trade as and when asked for shall be provided to the Central Government or its designated agency.
- iv. In October 2008, the NSEL commenced operations providing an electronic trading platform to its participants for spot trading of commodities, such as bullion, agricultural produce, metals, etc. It is observed that the NSEL had introduced the concept of ‘*paired contracts*’ in September 2009 which allowed buy and sell in same commodity through two different contracts at two different prices on the exchange platform wherein the investors could buy a short

duration contract and sell a long duration contract and vice versa at the same time at a pre-determined price. The trades for the Buy contract (T+2 / T+3) and the Sell contract (T+25/ T+36) used to happen on the NSEL on the same day at same time and at different prices, involving the same counterparties. The transactions were structured in a manner that buyer of the short duration contract always ended up making profits.

- v. On February 06, 2012, the erstwhile FMC was appointed by the Department of Consumer Affairs, Government of India as the 'designated agency' as stipulated in one of the conditions prescribed under the said 2007 Exemption Notification, authorizing it to collect the trade data from NSEL and to examine the same for taking appropriate measures, if needed, to protect investors' interest. FMC had accordingly called for the trade data from different spot exchanges, including NSEL in the prescribed reporting formats. After analyzing the trade data received from NSEL, FMC passed Order No. 4/5/2013-MKT-1/B dated December 17, 2013 in the matter (hereinafter referred to as "FMC Order") wherein it was *inter alia* observed that 55 contracts offered for trade on the NSEL platform were in violation of the relevant provisions of the FCRA and that the condition of 'no short sale by members of the exchange shall be allowed' was being not complied with by the NSEL and its members. FMC further observed that the '*paired contracts*' offered for trading in the NSEL platform were in violation of the provisions of the FCRA and also in violation of the conditions specified by the Government of India in its 2007 Exemption Notification, while granting exemptions to the one day forwards contract for sale and purchase of commodities traded on the NSEL, from the purview of the FCRA.
17. From the perusal of the FMC Order in respect of the '*paired contracts*', which were traded on the NSEL platform during the relevant period, I note that the FMC had, *inter alia*, observed that the following conditions stipulated in the 2007 Exemption Notification were violated:

a. Short Sale

NSEL had not made it mandatory for the seller to deposit goods in its warehouse before taking a sell position. Hence, the condition of “*no short sale by members of the NSEL shall be allowed*” was not being met by the NSEL and its trading/clearing members who traded in the ‘*paired contracts*’ during the relevant period.

b. Contracts with Settlement Period going beyond 11 days

Some of the contracts offered for trade on the NSEL had settlement periods exceeding 11 days and therefore, such contracts were “*non-transferable specific delivery*” contracts under the FCRA. As per the FCRA, the “*ready delivery contracts*” were required to be settled within 11 days of the trade and hence, the contracts traded on the NSEL, which provided settlement schedule for a period exceeding 11 days were not allowed and were in violation of 2007 Exemption Notification.

18. In this regard, the relevant observations of the FMC as recorded in its Order dated December 17, 2013 and also captured in the Enquiry Report are reproduced as under:

“....a large number of NSEL exchange trades were carried out with paired back-to-back contracts. Investors simultaneously entered into a “short term buy contract” (e.g. T+2 — i.e. 2 day settlement) and a “long term sell contract” (e.g. T + 25 i.e. 25 day settlement). The contracts were taken by the same parties at a pre-determined price and always registering a profit on the long-term positions. Thus, there existed a financing business where a fixed rate of return was guaranteed on investing in certain products on the NSEL.....”

NSEL conducted its business not in accordance with the conditions stipulated in the notification dated 05.06.2007 granting it exemption from the operation of FCRA, 1952, with regard to the one-day forward contracts to be traded on its exchange platform. As noted in the SCN, the condition of ‘no

short-sell' and 'compulsory delivery of outstanding position at the end of the day' stipulated in the notification were violated by NSEL. NSEL Board allowed launching of paired back-to-back contracts on its exchange platform comprising a short-term buy contract (T+2 settlement) and a long-term sell contract (T+25 settlement) with predetermined price and profit for the buyer and seller, which violated the very concept of spot market of commodities and the transactions ultimately were in the nature of financial transactions" (emphasis supplied)

19. It is therefore, clear that the NSEL was given permission to setup as a spot exchange for trading in commodities. It was essentially meant to only offer forward contracts having one-day duration as per 2007 Exemption Notification. I note from the FMC Order that FMC had observed that the 55 contracts offered for trade on the NSEL were with settlement periods exceeding 11 days and all such contracts traded on the NSEL were in violation of provisions of FCRA. As per the FMC Order under the FCRA, a "forward contract" is defined as a "contract for delivery of goods and which is not a ready delivery contract". A 'ready delivery contract' is defined as "a contract which provides for the delivery of goods and the payment of a price therefor, either immediately or within such period not exceeding eleven days". Given the said definition contained in FCRA, FMC was of the view that all the contracts traded on the NSEL which provided settlement schedule exceeding 11 days were treated as *Non-Transferable Specific Delivery contracts*. It is therefore seen that, even though MCA had stipulated in the 2007 Exemption Notification that only contracts of one-day duration were permitted to be offered on the NSEL, FMC, in its Order, relying on the definition of "forward contract" under FCRA held that NSEL was allowed to trade only in one-day forward contracts and was obliged to ensure delivery and settlement within 11 days. However, it is beyond doubt that NSEL had permitted 55 contracts of various commodities having duration longer than 11 days and these contracts were in contravention of the exemption granted to the NSEL.

20. At this stage, it is also pertinent to refer to the judgment of the Hon'ble Supreme Court of India passed in the matter of *63 Moons Technologies Ltd. (formerly known as Financial Technologies India Ltd.) & Ors. v. Union of India & Others* (Civil Appeal No. 4476 of 2019 decided on April 30, 2019) (hereinafter referred to as “**merger petition**”), wherein it, *inter alia*, held that:

“There is no doubt that such Paired Contracts were, in fact, financing transactions which were distinct from sale and purchase transactions in commodities and were, thus, in breach of both the exemptions granted to NSEL, and the FCRA”.

21. It is also necessary to refer to the judgement dated April 22, 2022 passed by the Hon'ble Supreme Court in the matter of *The State of Maharashtra vs. 63 Moons Technologies Ltd.* (Civil Appeal No. 2748-49 of 2022) (hereinafter referred to as “**MPID matter**”), wherein the Hon'ble Supreme Court while drawing reference to the presentations made by the NSEL in respect of the ‘paired contracts’ has *inter alia* held that:

*“The above representation indicates that ‘paired contracts’ were designed as a unique trading opportunity by NSEL under which a trader would, for instance, purchase a T+2 contract (with a pay-in obligation on T+2) and would simultaneously sell a T+25 contract (with a pay-out of funds on T+25). The price differential between the two settlement dates was represented to offer an annualized return of about 16%. NSEL categorically represented that all trades were backed by collaterals in the form of stocks and its management activities included selection, accreditation, quality testing, fumigation and insurance. **Therefore, NSEL represented that on receiving money and commodities, the members would receive assured returns and a service.** Though NSEL has been receiving deposits, it has failed to provide services as promised against the deposits and has failed return the deposits on demand. Therefore, the*

State of Maharashtra was justified in issuing the attachment notifications under Section 4 of the MPID Act.” (emphasis supplied)

22. Thus, the Hon'ble Supreme Court has already described the nature of the '*paired contracts*' offered on the NSEL platform. In the merger petition, it was held by the Hon'ble Supreme Court that these contracts were in the nature of financing transactions. In the MPID matter, the Hon'ble Supreme Court has held that such transactions come within the definition of '*deposits*' under the MPID Act.
23. The Hon'ble Supreme Court in the MPID matter, has extensively referred to the claims made on the website of the NSEL and the contents of the publicity material and other investor resources. The Hon'ble Supreme Court has also observed that NSEL was advertising a uniform return of 16% p.a. for the '*paired contracts*' traded on its platform where the return offered was same across the commodities. The return remained the same irrespective of the duration of the contract. In the said order, the Hon'ble Supreme Court has also depicted certain examples of '*paired contracts*', which offered assured returns. For example, a T+2 & T+25 paired contract in steel had the same offered return as a T+ 5 & T + 35 paired contract in castor oil. The '*paired contracts*' were being marketed as an alternative to fixed deposits.
24. It was also noted in the judgement of the Hon'ble Supreme Court in the MPID matter that the overwhelming majority of the sale leg of the '*paired contracts*' which were executed were short sales i.e., commodities to back such sales were not available at the designated warehouses of the NSEL.
25. The aforesaid discussion shows how '*paired contracts*' were not in the nature of spot trading, which was permitted on NSEL's platform. Further, as stated above, NSEL itself was advertising such contracts as an alternative to fixed deposits and the return offered was 16% p.a. across all commodities irrespective of the nature of the contract or the duration. Also, these contracts were structured in a manner which ensured that the buyer always made pre-determined profits.

26. Considering the deliberations and discussions recorded above, it essentially leads to the moot question as to whether the noticee, while participating in such contracts from its proprietary account, was under the *bonafide* belief that the '*paired contracts*' were actually spot contracts in commodities, as has been claimed by the noticee. Or can it be said that the very fact that '*paired contracts*' were offered meant that the NSEL was offering contracts which were not resulting in compulsory delivery and, therefore, the noticee, as a registered intermediary, should have been aware that such a product was far removed from the spot trading in commodities which was permitted on the NSEL's platform. The noticee has argued that it entered into a series of spot contracts involving castor oil and sugar and these have been erroneously indicated as being akin to the paired contacts.
27. In the undeniable background that there was a settlement default at the NSEL, it is clear that there were enough red flags which should have alerted the noticee when these products were first offered by the NSEL. With the material on record, especially those summarized at paragraphs 19, 20 and 21, it is further clear that any prudent person (including the noticee) would have come to the conclusion that what was being offered were not spot contracts in commodities and rather had trappings of a financial product which offered fixed and assured returns, as the Hon'ble Supreme Court has already held. In the background of the above discussion, I am of the view that merely because the contracts were marked as 'SPTCOM', the noticee could not have been under a *bonafide* belief that the impugned products were purely spot contracts and not financial products. Accordingly, I find the contention of the noticee that it only undertook transactions in spot contracts and the said transactions have been erroneously indicated as paired contracts is without any merit.
28. When MCA vide its letter dated July 12, 2013, on the recommendation of FMC, asked NSEL to settle contracts on the due dates and to give an undertaking that no fresh contract shall be launched, NSEL failed to do so and defaulted. Investors lost money as all the underlying warehouse receipts were bogus and there were

no underlying securities. As noted in the judgement of the Hon'ble Supreme Court in the MPID matter, the exchange publicized that it provided counter party guarantee risk, but, in reality, failed to do so.

29. In the background of the discussion on 'paired contract' in the preceding paragraphs, I now proceed to examine whether the noticee satisfies the 'fit and proper' person criteria, as laid down under Schedule II of the Intermediaries Regulations.
30. On perusal of the submissions of the noticee, it is noted that the noticee has constantly submitted that it has traded in the alleged paired contracts in its prop account, under the belief that the said contracts were spot contracts. Having rejected the said contention of the noticee at para 27 above, on account of lack of evidence to show its bonafide as regard the understanding of the product, I observe that the fact of noticee trading in alleged paired contracts is not in dispute. Further, the noticee has also attempted to establish its innocence by trying to move itself away from the functioning/ nature of the products which were being traded at NSEL platform. In this regard, I deem it fit to point out the discrepancies/ inconsistencies in the submissions of the noticee. While the noticee, vide its email dated November 21, 2022 has submitted that it did not receive any warehouse receipts for commodities bought by it, in the same breath, the noticee has also submitted that "... *We relied on the warehouse bills provided by NSEL, and we cannot be held responsible for shortcomings in NSEL's monitoring...*". In view of the said inconsistent submissions made by the noticee, it cannot be reasonably accepted that the noticee was dealing in the paired contracts with a bonafide belief that the same were spot contracts.
31. It is undisputed that the noticee traded in '*paired contracts*' from its proprietary account. The execution of the trades in '*paired contracts*' by the noticee shows the participation of the noticee in the said scheme perpetrated by the NSEL to provide its platform for trading in '*paired contract*' that were not permitted under the 2007 Exemption Notification and were purely financial contracts promising

assured returns under the garb of spot trading in commodities. Therefore, the noticee by its conduct and as a member of the NSEL has acted as an instrument of the NSEL in promoting and/or dealing in '*paired contracts*' which were in the nature of financing transaction (as held by the Hon'ble Supreme Court of India to be so, as noted above). The act of the noticee, of executing trades in the '*paired contracts*' which did not have requisite regulatory approval, raises doubts on the competence of the noticee to act as a registered Securities Market intermediary. The noticee being a broker ought to have certainly understood the nature of the product before participating in such contracts. Thus, I am of the view that the trading activities of the noticee in '*paired contracts*' on the NSEL platform have adversely effected the reputation and credibility about competence and fairness, honesty and integrity of the noticee in the Securities Market.

32. As recorded in the SSCN, SEBI has filed a complaint dated September 24, 2018, against brokers who traded / facilitated access to '*paired contracts*' traded on the NSEL, including the noticee, with the EOW, Mumbai. On the basis of this complaint, an FIR dated September 28, 2018 has also been registered with the MIDC Police Station, Mumbai against the noticee.
33. Having found that the noticee has traded in '*paired contracts*', I note that the noticee has, *prima facie*, violated the conditions stipulated in the 2007 Exemption Notification and consequently the provisions of the FCRA also. Therefore, in the SCN, the noticee was asked to state as to why its certificate of registration as a commodity derivatives broker, may not be cancelled as the noticee is not a '*fit and proper*' person for holding the certificate of registration. Subsequently, SEBI, on the basis of certain documents/material such as SEBI's Complaint dated September 24, 2018 and FIR dated September 28, 2018 as provided to the noticee vide SSCN dated October 11, 2022, further alleged that in light of the aforesaid documents as well as observations against the noticee in the enquiry report dated November 14, 2019, the noticee is not a '*fit and proper*' person for holding the certificate of registration.

34. The noticee's main contentions are that it had not participated in any transaction involving paired contracts at any material time, and all its transactions on the NSEL platform involved spot contracts, it never induced any of its clients and that all the transactions were executed through proprietary account.
35. In this regard, as discussed above, the noticee has traded in '*paired contracts*' through its own proprietary account. The execution of the trades in '*paired contracts*' by the noticee shows the participation of the noticee in the said scheme perpetrated by NSEL to provide its platform for trading in '*paired contracts*' that were not permitted under the 2007 Exemption Notification and were purely financial contracts promising assured returns and were advertised as such by NSEL, as observed by the Hon'ble Apex Court, under the garb of spot trading in commodities. Therefore, the noticee by its conduct and as a member of NSEL had dealt in '*paired contracts*' which were in the nature of financing transaction. The noticee traded in a product that did not have regulatory approval thereby raising doubts about the competence, fairness, etc. of the noticee to act as a registered securities market intermediary, as stated earlier in para 31. As already recorded in SSCN as discussed above, SEBI's complaint dated September 24, 2018 and the FIR registered with the MIDC Police Station, Mumbai on September 28, 2018 are validly subsisting and has not been challenged, quashed or stayed by any competent court *qua* the noticee as on date. Therefore, the noticee also attracts the disqualification provided in clause 3(b)(i) of Schedule II of the Intermediaries Regulations.
36. As regards its submission that it was not closely associated with NSEL and the '*paired contracts*' were introduced by NSEL, it cannot be denied that the involvement of the noticee in trading of trading in '*paired contracts*' on the NSEL is certainly a conduct which was neither permitted by the 2007 Exemption Notification nor by any of the applicable provisions of the FCRA and therefore, a conduct similar to that displayed by the noticee in its trading on the NSEL platform would be detrimental to the interest of the Securities Market.

37. It is pertinent to state that regulation 5(e) of the Stock Brokers Regulations provides that, for the purpose of grant of Certificate of Registration, the applicant has to be a '*fit and proper person*' in terms of Schedule II of the Intermediaries Regulations. It is further stated that the '*fit and proper person*' criteria specified in Schedule II of the SEBI (Intermediaries) Regulations, 2008, were amended vide SEBI (Intermediaries) (Third Amendment) Regulations, 2021 with effect from November 17, 2021. The condition of a fit and proper is not a one-time condition applicable only at the time of seeking registration.
38. Further, '*fit and proper*' person criteria is a continuing requirement under the Intermediaries Regulations which the noticee ought to comply with at all times as long as it desires to remain associated with the securities market as a registered intermediary. The present proceedings intend to examine the '*fit and proper person*' status of the noticee as per the Intermediaries Regulations.
39. SEBI had filed a complaint dated September 24, 2018 with the concerned police authorities for initiating appropriate action for the violations of the FCRA, *inter alia*, alleged to have been committed by the noticee within the stipulated time as specified under section 29A(2)(e). I also note from the records that on the basis of the said complaint of SEBI, a FIR dated September 28, 2018 was registered with MIDC Police Station, Mumbai and the same, as noted above, is validly subsisting.
40. The present proceedings under the Intermediaries Regulations have been initiated to adjudge whether the noticee satisfies the criteria for '*fit and proper person*' as specified in the Broker Regulations and the Intermediaries Regulations and the said proceedings are independent of the provisions of FCRA. The noticee is obliged to maintain the '*fit and proper person*' criteria on a continuous basis and it is well within SEBI's jurisdiction and powers to adjudge the said fit and proper status of the market intermediaries in the interest of securities market.

41. The role of a registered intermediary including a broker demands from it honesty, transparency, fairness and integrity as has been laid down in Clause 3(a) of Schedule II of the Intermediaries Regulations. SEBI under its mandate to protect interest of investors apart from regulations and development of the securities market is empowered to grant registration to various classes of entities including brokers, who have a very important role in ensuring a fair, transparent and efficient market to the investors. Thus, a broker is bound to act in an honest and ethical manner and comply with all applicable regulatory requirements which would be in the best interests of investors. Here, I also deem it appropriate to note that the noticee cannot take the defence of having a legitimate expectation that the NSEL as an exchange was, *per se*, in compliance with the 2007 Exemption Notification. In view of the decisions of the Hon'ble Supreme Court, wherein the Hon'ble Court has held that NSEL was advertising fixed returns of 16% and offering '*paired contracts*' as an alternate for fixed deposits, I am of the view that the noticee was under statutory obligation to act with due skill, care and diligence in conduct of all its business.
42. In view of the above, I hold that the noticee does not satisfy the '*fit and proper person*' criteria specified in Schedule II of the Intermediaries Regulations and therefore, the continuance of the noticee as a broker will be detrimental to the interest of the securities market. Hence, action as proposed in the SCNs needs to be taken in the interest of the securities market.
43. At this juncture, I also note that necessity of specifying a period of time as stipulated by the SAT Order, after which the applicant may become eligible to seek registration does not arise in this order (unlike in the case of entities desiring to be registered as market intermediaries) while dealing with an entity holding a certificate of registration which is recommended to be cancelled, as this forum cannot presume whether such entity would wish to reapply to be a market intermediary or not. If it chooses to do so, it will have to be assessed at such point of time if it is fit and proper as per the extant and applicable provisions. The noticee has also submitted that it has applied for surrender of its membership

with MCX. In my opinion, such pendency of application for surrender of trading membership has no material relevance for the purposes of the present proceedings as the DA has already recommended that the Certificate of Registration of the noticee be cancelled. Accordingly, I do not deem it significant to take into account the factor of the pendency of the aforesaid application with MCX.

44. Having examined and dealt with the contentions raised by the noticee in the preceding paragraphs, I concur with the recommendation made by the DA.

ORDER

45. In view of the foregoing discussions and deliberations, I, in exercise of powers conferred upon me under Section 12 (3) and Section 19 of the SEBI Act, 1992 read with regulation 27 of the SEBI (Intermediaries) Regulations, 2008, cancel the Certificate of Registration (bearing No. INZ000059530) of the noticee i.e. Siddhi Vinayak Commodities Private Limited.
46. The noticee shall, after receipt of this order, immediately inform its existing clients, if any, about the aforesaid direction in paragraph 45 above.
47. Notwithstanding the direction at paragraph 45 above, the noticee shall allow its existing clients, if any to withdraw or transfer their securities or funds held in its custody, within 15 days from the date of this order. In case of failure of any clients to withdraw or transfer their securities or funds within the said 15 days, the noticee shall transfer the funds and securities of such clients to another broker registered with SEBI within a period of next 15 days thereon, under advice to the said clients.
48. This Order shall come into force with immediate effect.
49. The above Order is without prejudice to the criminal complaint filed by SEBI in the NSEL matter and/or any proceedings pending before any authority in respect of similar matter involving the noticee.

50. It is clarified that in view of the amendment made w.e.f. January 21, 2021 in the Intermediaries Regulations, 2008, the procedure for action on receipt of recommendation of a DA prescribed under regulation 28 of the Intermediaries Regulations, 2008 has now been incorporated in the amended regulation 27 of the Intermediaries Regulations, 2008. Accordingly, this order is passed under the amended regulation 27 of the Intermediaries Regulations, 2008.
51. A copy of this order shall be served upon the noticee and the recognized Market Infrastructure Institutions for necessary compliance.
