

**SECURITIES AND EXCHANGE BOARD OF INDIA
ORDER**

UNDER SECTION 12(3) OF SECURITIES AND EXCHANGE BOARD OF INDIA ACT, 1992 READ WITH REGULATION 27 OF SECURITIES AND EXCHANGE BOARD OF INDIA (INTERMEDIARIES) REGULATIONS, 2008.

In respect of:

NAME OF THE NOTICEE	SEBI REGISTRATION NO.
NARAYAN COMMODITY BROKERS PRIVATE LIMITED	INZ000102435

in the matter of NATIONAL SPOT EXCHANGE LIMITED

I. Background

1. Narayan Commodity Brokers Private Limited (hereinafter referred to as **“NCBPL / Noticee”**) is registered with Securities and Exchange Board of India (hereinafter referred to as **“SEBI”**) as a stock broker in the commodity derivatives segment having SEBI Registration No. INZ000102435. NCBPL was earlier a member of the National Spot Exchange Limited (hereinafter referred to as **“NSEL”**).
2. As the Noticee was a member of the NSEL and had participated in / facilitated trading in ‘paired contracts’ on the NSEL platform, SEBI initiated enquiry proceedings against the Noticee under Chapter V of the SEBI (Intermediaries) Regulations, 2008 (hereinafter referred to as the **“Intermediaries Regulations”**) and appointed a Designated Authority (hereinafter referred to as the **“DA”**) vide order dated September 21, 2018, to enquire into whether the Noticee was a ‘fit and proper person’ (hereinafter referred to as **“FPP”**) to continue to hold the certificate of registration as Trading or Clearing Member

in terms of Regulation 5(e), 9(b) and 9(f) of the SEBI (Stock Brokers) Regulations, 1992 (hereinafter referred to as the “**Broker Regulations**”) read with Schedule II of the Intermediaries Regulations.

II. Brief History of Illegal Forward Contracts on NSEL:

3. Before considering the compliance of the Noticee with the FPP criteria, it would be appropriate to have a preliminary discussion on the background of NSEL which forms the basis of the current proceedings.
4. NSEL was incorporated in 2005 as an exchange for spot trading of commodities. I note from the FMC Order No.4/5/2013-MKT-1/B dated December 17, 2013 (“**FMC Order**”), that on June 05, 2007, the Department of Consumer Affairs (“**DCA**”), Ministry of Consumer Affairs, Food and Public Distribution, Government of India, issued a Notification S.O.906(E) under Section 27 of Forward Contracts (Regulation) Act, 1952 (hereinafter referred to as “**FCRA**”) granting certain exemptions from the provisions of FCRA to NSEL subject to specified conditions. The relevant extract of the said notification is reproduced hereunder for ease of reference:

“...the Central Government exempts all forward contracts of one day duration for the sale and purchase of commodities traded on the National Spot Exchange Limited, from operation of the provisions of the said Act subject to the following conditions, namely:-

- i. no short sale by members of the Exchange should be allowed;*
- ii. all outstanding positions of the trade at the end of the day shall result in delivery;*
- iii. the National Spot Exchange Ltd. shall organize spot trading subject to regulation by the authorities regulating spot trade in the areas where such trading takes place;*
- iv. all information or returns relating to the trade as and when asked for shall be provided to the Central Government or its designated agency;*

.....”

5. The aforesaid notification was amended on February 6, 2012 by DCA vide Gazette Notification S.O. 228(E) specifying “Forwards Market Commission, Mumbai” as the designated agency of the Central Government.
6. NSEL commenced operations in October 2008. It is seen from the FMC Order and the Judgement dated April 22, 2022 of the Hon’ble Supreme Court, in the matter of The State of Maharashtra Vs. 63 Moons Technologies Ltd, Civil Appeal Nos. 2748-49 of 2022, that NSEL, in September 2009, introduced the concept of ‘paired contracts’, which involved buying and selling the same commodity through two different contracts at two different prices, wherein investors could buy a short duration settlement contract and sell a long duration settlement contract or vice versa, with the same counterparty at the same time. In short, the ‘paired contract’ involved two simultaneous transactions being undertaken at the same time with the same counterparty—one being a purchase transaction (settling at T+2 or T+3) and the other being a sale transaction (settling at T+25 or T+36), at different prices on the platform of NSEL. “T” indicates the trade date, that is, the date on which the trade took place; and +2 or +3 or +25 or +36, indicates the number of business days after the trading day when the delivery of the commodity and the payment of price ought to have been made. The transactions were structured in a manner that the buyer of the short duration contract always ended up making profits.
7. Further, from Para 8 of the FMC Order, I note that the DCA on April 27, 2012 directed NSEL to explain as to why action should not be initiated against NSEL for violation of the conditions of the notification dated June 05, 2007. In response to the same, NSEL submitted a reply vide their letter dated May 29, 2012. DCA, vide its letter dated May 31, 2012, sought comments of the FMC on the NSEL reply. The FMC, vide its letter dated August 02, 2012 to the DCA provided its comments on the two main issues, which are relevant for consideration of the matter at hand, as paraphrased hereunder:
 - a. Short Sale by members of the Exchange: NSEL did not insist upon ownership of goods before allowing its members to place the sale order. FMC was of the view that all those sale transactions which are not

backed by the ownership of goods were in violation of the condition of *“no short sale by the members of the Exchange shall be allowed”*.

- b. Contracts in which settlement period goes beyond 11 days: In view of the definition of forward contract under FCRA, FMC was of the view that all the contracts traded on NSEL which provide settlement schedule for a period exceeding 11 days are Non-Transferable Specific Delivery contracts. Thus even if the gazette notification does not specify the delivery period, NSEL had to settle the delivery for all open position within a period of 11 days as NSEL was allowed to only trade in one-day forward contracts and was obliged to ensure delivery and settlement within 11 days.
8. I also note from Para 8 of the FMC Order that DCA, vide its letter dated July 12, 2013, directed NSEL to give an undertaking that:
 - a. *No further/ fresh contracts shall be launched by NSEL until further instructions from the concerned authority; and*
 - b. *All the existing contracts will be settled on the due dates.*
9. To sum up, as per the original notification dated June 05, 2007, NSEL was granted conditional exemption from the provisions of FCRA for all forward contracts of one-day duration for the purchase and sale of commodities. The two main conditions were that (i) there should be no short sale and (ii) all outstanding positions at the end of the day should result in delivery. Thereafter, FMC had observed that 55 contracts offered for trade on NSEL were with settlement periods exceeding 11 days and all such contracts traded on NSEL were in violation of provisions of FCRA. Under the FCRA, a *“forward contract”* is defined as a *“contract for delivery of goods and which is not a ready delivery contract”*. A *“ready delivery contract”* is defined as *“a contract which provides for the delivery of goods and the payment of a price therefor, either immediately or within such period not exceeding eleven days”*. In view of the said definition contained in FCRA, FMC was of the view that all the contracts traded on NSEL which provided settlement schedule exceeding 11 days were treated as Non-Transferable Specific Delivery contracts.

10. NSEL, thus, had permitted contracts of various commodities having duration longer than 11 days and these contracts were *ex facie* in contravention of the exemption granted to NSEL vide the Government Notification dated June 05, 2007. Further, I note that the Hon'ble Supreme Court, in its Judgement dated April 22, 2022 in the matter of The State of Maharashtra Vs. 63 Moons Technologies Ltd, Civil Appeal Nos. 2748-49 of 2022, while drawing reference to the presentations made by NSEL in respect of 'paired contracts' had *inter alia* held that:

“44.... NSEL in the course of its brochures has held out representations about the trading and investment opportunities available for:

- a) corporate clients*
- b) high net worth individuals; and*
- c) retail investors*

45. Under the head of “contract specifications”, the following representation has been held out :

<i>Commodity</i>	<i>Duration</i>	<i>Investment (lacs.)</i>	<i>Yield</i>
<i>Castor Seed</i>	<i>T+3 & T+36</i>	<i>7.5 -9 Lacs</i>	<i>16%</i>
<i>Castor Oil</i>	<i>T+5 & T+30</i>	<i>7-9</i>	<i>16%</i>
<i>Cotton Wash Oil</i>	<i>T+2 & T+25</i>	<i>10</i>	<i>16%</i>
<i>Paddy</i>	<i>T+2 & T+25</i>	<i>3.5-4.5</i>	<i>16%</i>
<i>Steel</i>	<i>T+2 & T+25</i>	<i>4.5-5</i>	<i>16%</i>
<i>Raw Wool</i>	<i>T+2 & T+25</i>	<i>3.5-4</i>	<i>16%</i>
<i>Wool Top</i>	<i>T+2 & T+25</i>	<i>1.8-2</i>	<i>16%</i>
<i>Crude Soybean Oil</i>	<i>T+2 & T+25</i>	<i>3.3.-3.5</i>	<i>16%</i>
<i>Soya DOC</i>	<i>T+2 & T+25</i>	<i>1.7-2.0</i>	<i>16%</i>
<i>Refined Mustard Oil</i>	<i>T+2 & T+25</i>	<i>6.5</i>	<i>16%</i>
<i>Refined Soybean Oil</i>	<i>T+2 & T+25</i>	<i>6.5</i>	<i>16%</i>
<i>Refined Sunflower Oil</i>	<i>T+2 & T+25</i>	<i>6.5</i>	<i>16%</i>
<i>RBD Palmolein Oil</i>	<i>T+2 & T+25</i>	<i>6.5</i>	<i>16%</i>
<i>Sugar</i>	<i>T+2 & T+25</i>	<i>3.0</i>	<i>16%</i>
<i>Maize</i>	<i>T+2 & T+25</i>	<i>3.0</i>	<i>16%</i>

The above representation specifies:

- (i) Commodities;*
- (ii) Duration of trades;*
- (iii) Investment; and*
- (iv) Yield.*

For example, in the case of castor seeds, NSEL held out a buy contract (T+3) and sale contract (T+36), in which the yield is stated to be 16%. Moreover, NSEL represented that:

“Opportunities

- Traders can trade and lock their return*
- Trader has to buy in near settlement contract and sell in far settlement contract simultaneously*
- Price for both settlement available*
- Exchange provides counterparty guarantee risk*
- No basis risk, No link with future contracts*

While describing the features of trading opportunity, NSEL represented that:

“Features of Trading Opportunity:

- T+2 and T+25 contract offers unique trading opportunity to traders*
- Trader purchases T+2 contract and simultaneously sells T+25 contract*
- Pay-in obligation is on T+2 while Pay-out of the funds will be on T+25. Entire settlement cycle is of 35-37 days*
- Price differential between the two settlement dates i.e premium if annualized offers interest rate of about 16%*
- Income arising out of such trades are treated as Business Income”*

While comparing the investment opportunities of bank fixed deposits with trading opportunities at NSEL, NSEL represented that:

“Comparison

- *Bank FD 9.25% for 390 days; NSEL Trading Opportunity 16%;*
- *Bank FD minimum duration 390 days; NSEL Trade duration 35-55 days, depending on the contract*
- *Traders have an option of rolling over their position as per their convenience*

.....

The above representation indicates that paired contracts were designed as a unique trading opportunity by NSEL under which a trader would, for instance, purchase a T+2 contract (with a pay-in obligation on T+2) and would simultaneously sell a T+25 contract (with a pay-out of funds on T+25). The price differential between the two settlement dates was represented to offer an annualized return of about 16%. NSEL categorically represented that all trades were backed by collaterals in the form of stocks and its management activities included selection, accreditation, quality testing, fumigation and insurance. Therefore, NSEL represented that on receiving money and commodities, the members would receive ‘assured returns’ and a ‘service’. Though NSEL has been receiving ‘deposits’, it has failed to provide services as promised against the deposits and has failed return the deposits on demand. Therefore, the State of Maharashtra was justified in issuing the attachment notifications under Section 4 of the MPID Act.”

11. As such, both the FMC Order and the aforesaid order of Hon'ble Supreme Court have explicitly brought out the details as to how NSEL permitted short sales - i.e. by permitting sellers to offer contract for sale of commodities on its platform without ensuring that requisite amount of commodity is available in the warehouse.
12. It is also pertinent to note that the Hon'ble Supreme Court in another Judgement dated April 30, 2019, titled 63 Moons Technologies Ltd Vs. Union

of India, Civil Appeal No. 4476 of 2019 observed that these contracts were in the nature of “financing transactions”. The relevant extract of the said order is as under: -

“55.3. We have seen that neither FTIL nor NSEL has denied the fact that paired contracts in commodities were going on, and by April to July, 2013, 99% (and excluding E-series contracts), at least 46% of the turnover of NSEL was made up of such paired contracts. There is no doubt that such paired contracts were, in fact, financing transactions which were distinct from sale and purchase transactions in commodities and were, thus, in breach of both the exemptions granted to NSEL, and the FCRA.”

III. Show Cause Notice, Reply and Hearing

13. In light of the background and history narrated above, the DA issued Show Cause Notice dated September 24, 2018 to the Noticee, calling upon it show cause as to why it should not be found to be not in terms of Regulation 5(e) of the Broker Regulations read with Schedule II of the Intermediaries Regulations and hence, liable for cancellation of its registration. The Noticee vide letter dated October 15, 2018 sought certain documents/information, reply to which was provided vide letter dated September 30, 2019. Upon completion of the enquiry, the DA submitted his report dated November 29, 2019 recommending cancellation of the certificate of registration granted to the Noticee since it was not a ‘fit and proper person’.
14. Thereafter, Show Cause Notice dated January 15, 2020 (hereinafter referred to as “**SCN-1**”), was issued to the Noticee, under Regulation 28(1) of the Intermediaries Regulations to show cause as to why action, as recommended by the DA or any other action as considered appropriate by the Designated Member, should not be taken against the Noticee. A copy of the DA’s Report was also forwarded to the Noticee along with an advice to file a reply, if any, within 21 days from the date of receipt of the notice. Along with the DA’s Report, letter dated December 30, 2014 of the Ministry of Finance (“**MoF**”),

Department of Economic Affairs (“**DEA**”) addressed to the Chairman, FMC was provided to the Noticee, wherein it was stated that the DEA was in agreement that NSEL had violated the conditions of exemptions granted to it under the FCRA. Further, Order dated August 22, 2014 of Hon’ble Bombay High Court, in the matter of *Jignesh Prakash Shah Vs. The State of Maharashtra*, Criminal Bail Application No. 1263 of 2014, wherein it was held that the brokers through whom the paired contracts were entered into had knowledge of the illegality of such contracts, was also furnished to the Noticee. The SCN-1 also *inter alia* highlighted the observations made by the Hon’ble Supreme Court in the matter of *63 Moons Technologies Ltd. Vs. Union of India* (order dated April 30, 2019), wherein it was held that paired contracts were in fact financing transactions in breach of exemptions granted to NSEL under the FCRA.

15. In the meantime, Whole Time Member, SEBI (“**WTM**”) passed certain orders rejecting the applications of five other entities for registration as commodity brokers, which were challenged before the Hon’ble Securities Appellate Tribunal (“**the Hon’ble SAT**”). The Hon’ble SAT vide its order dated June 9, 2022 remitted the matters to the WTM to decide the matter afresh after giving an opportunity of hearing to the brokers, with the following directions:

“...It will be open to the WTM to rely upon other material such as the complaint letters of NSEL, EOW report, EOW charge sheet, etc. provided such copies are provided to the brokers and opportunity is given to rebut the allegations. Such additional documents relied upon by SEBI should form part of the show cause notice for which purpose, it will be open to the WTM to issue a supplementary show cause notice”.

16. In light of the order of Hon’ble SAT dated June 9, 2022, a Supplementary Show Cause Notice dated October 07, 2022 (hereinafter referred to as “**SCN-2**”) was issued to the Noticee. Vide the SCN-2, additional documents viz. SEBI’s complaint dated September 24, 2018 to Economic Offence Wing (“EOW”), First Information Report (“FIR”) dated September 28, 2018 filed by SEBI and the amended Schedule II of the Intermediaries Regulations were furnished to the

Noticee calling upon it to show cause as to why information/material provided therein along with the Enquiry Report should not be considered against the Noticee.

17. The Noticee was granted opportunities of personal hearing on December 06, 2022 and January 10, 2023, wherein no appearance was made by or on behalf of the Noticee. In order to ensure the principles of natural justice, the Noticee was granted another opportunity of personal hearing on January 17, 2023. Authorised representative, Shri Ashish Saraf, Director of the Noticee appeared for the hearing and made his submissions. No written submissions have been filed by the Noticee. The submissions made by the Noticee during the hearing are summarized hereunder:

- a. The Noticee is a victim of fraud done by NSEL with respect to the paired contracts and is a harassed party in the matter. The Noticee itself and the clients of the Noticee have lost money in the default of NSEL.
- b. The Noticee incurred huge losses in 2018 and had no staff and therefore, was incapable of replying to the SEBI notices.
- c. The Noticee has stopped its commodity derivatives business since 2018 and also applied for surrender with MCX and NCDEX.
- d. The Noticee did not provide any funding to its clients and did not induce any client to trade in paired contracts. The Noticee never modified the instructions of the clients.
- e. Around 20-25 clients traded in paired contracts in NSEL platform for a period of 3-4 months. Amounts are due to be paid by NSEL for approximately 12 clients.
- f. The Noticee merely facilitated the transactions and connivance or negligence can only be attributed to FMC and NSEL.

IV. Consideration of Issues

18. I have considered the Enquiry Report submitted by the DA, the allegations in the SCN, Noticee's submissions and other material available on record. Having regard to the same, I now proceed to deal with the issues in the present matter.

19. It is alleged that the Noticee has violated Regulation 9(b) and (f) read with Clause A(1), A(2) and A(5) of the Schedule II of the Broker Regulations and Regulation 5(e) of the Broker Regulations read with Schedule II of the Intermediaries Regulations. The relevant provisions are reproduced hereunder: -

20. From the reply of the Noticee, it is seen that the Noticee has admitted to the fact of dealing in the contracts on NSEL platform, referred to as "paired contracts" by FMC and the Hon'ble Supreme Court, on behalf of its clients on NSEL. Further, the Noticee has contended that the entire burden for the illegality underlying the trades fell upon NSEL and the other regulators who were supposed to supervise. In this regard, I note that the Noticee was well aware that the duration of the contracts exceeded one day which was stipulated as one of the conditions of the exemption notification. I note that the Noticee has submitted that it executed trades for 20-25 clients in paired contracts on NSEL platform for a period of 3-4 months. Admittedly, the Noticee had executed trades in paired contracts on behalf of its clients on NSEL. I find that as a broker with sufficient experience and knowledge, the Noticee ought to have refrained from participating on the subject contracts, going by the very structure of the back-to-back contracts. It appears to be the case of the Noticee that since everything was in public domain and it was all being done with the knowledge of regulators, it presumed that the activities were legally valid and that there was nothing that raised his suspicion. In this context, I note that NSEL itself was advertising such contracts as an alternative to fixed deposits. The return offered was 16% across all commodities irrespective of the nature

of the contract or the duration. Also, these contracts were structured in a manner which ensured that the buyer always made pre-determined profits. I am, therefore, of the view that while executing trades for its clients in such contracts, the Noticee failed to examine the basic nature of the product and also failed in understanding and evaluating the source of powers relied upon by NSEL for selling such products which other exchanges were not offering. Thus, I find that the Noticee failed to conduct proper and effective due diligence on these aspects of paired contracts which were not essentially spot contracts.

21. I further note that the SCN-1 dated January 15, 2021 provided the Noticee along with the DA's Report, the letter dated December 30, 2014 of the DEA, MoF addressed to FMC and copy of Order dated August 22, 2014 passed by the Hon'ble Bombay High Court in the matter of *Jignesh Prakash Shah vs. The State of Maharashtra* and the Noticee was called upon to show cause as to why information/material brought therein should not be considered along with Enquiry Report. I note that the Hon'ble SAT, in its order dated June 09, 2022, in respect of the applications of five other entities for registration as commodity brokers, has held that the observations in the bail rejection order of the Hon'ble Bombay High Court cannot be relied upon as the observations therein are limited to the fact as to whether the bail should be granted or not. Further, I note that the Bombay High Court Judgment dated August 22, 2019 was set aside by the Hon'ble Supreme Court vide its judgment dated April 22, 2022, in the matter of *The State of Maharashtra Vs. 63 Moons Technologies Ltd*, Civil Appeal No. 2748 of 2022. Accordingly, I find that the said documents are not relevant for consideration in the present matter.
22. I also note that vide the SCN-2, additional documents viz. SEBI's complaint dated September 24, 2018 to EOW, FIR dated September 28, 2018 filed by SEBI and the amended Schedule II of the Intermediaries Regulations was provided to the Noticee. I note that Schedule II of the Intermediaries Regulations was amended vide SEBI(Intermediaries) (Third Amendment) Regulations, 2021, w.e.f. 17.11.2021 and the following disqualifications have been included amongst others:

“(i) criminal complaint or information under section 154 of the Code of Criminal Procedure, 1973 (2 of 1974) has been filed against such person by the Board and which is pending;”

23. I also note that as per the amendment, the disqualification of an associate or group entity of the applicant or intermediary of the nature as referred in sub-clause (b) of clause (3) of Schedule II to the Intermediaries Regulations, shall not have any bearing on the FPP criteria of the applicant or intermediary unless the applicant or intermediary or any other person referred in clause (2), is also found to incur the same disqualification in the said matter.
24. It is pertinent to note that in terms of Regulation 5(e) of Broker Regulations, the eligibility criteria for an entity to get registered as a stock broker includes that it should be a ‘fit and proper person’ based on the criteria specified in Schedule II of Intermediaries Regulations. I note that the effect of insertion of Section 28A in the FCRA is to grant powers to SEBI to deal with matters relating to commodities derivatives and to regulate persons buying, selling or otherwise dealing in commodity derivatives as a commodity derivatives broker, or any other intermediary who may be associated with the commodity derivatives market, immediately before the transfer and vesting of rights and assets to the SEBI for which no registration certificate was necessary prior to such transfer. Accordingly, the Noticee applied for registration as a broker and was granted the same by SEBI. Since then, it has been acting as a market intermediary registered with SEBI. I note that it has been specified in Clause 7 of Schedule II of Intermediaries Regulations that the FPP criteria are required to be satisfied by the intermediary at the time of registration as well as during the continuity of registration with SEBI. Therefore, even assuming that the Noticee fulfilled the eligibility requirements at the time of grant of certificate of registration, it is required to comply with the criteria continuously including those conditions which are incorporated subsequently.
25. It is a matter of record that SEBI has filed a complaint dated September 24, 2018 with EOW seeking appropriate action under Sections 20 and 21 and other

applicable provisions of FCRA against the brokers/members of NSEL, mentioned in the list attached thereto. I note that the Noticee is listed at serial no. 157 in the said list. Pursuant to the SEBI complaint, FIR No. Spl LAC No. 110/18 dated September 28, 2018 under section 154 of the Code of Criminal Procedure, 1973 has been registered at the MIDC Police Station, Mumbai against the same trading members, which were listed in the SEBI complaint to EOW. I note that the said FIR is currently pending. In view thereof, I note that disqualifications contained in paragraph 3(b)(i) of Schedule II of Intermediaries Regulations are attracted against the Noticee.

26. When the pendency of a criminal complaint or FIR filed by SEBI is prescribed as a negative criterion / disqualification from eligibility under Schedule II of the Intermediaries Regulations, it is imperative for me to consider the same while adjudging the eligibility of the Noticee to continue to hold the authorization granted. In my view, the amendment of Schedule II of the Intermediaries Regulations merely encapsulates the criteria in the form of distinctly identifiable parameters, which would apply uniformly to all intermediaries. To reiterate, the fact that SEBI has filed a complaint and FIR has been registered against the Noticee and the same is pending, in itself constitutes a disqualification from satisfaction of eligibility criteria to function as an intermediary.
27. Coming to the question of directions to be issued, I note that the Noticee has submitted that it has closed the broking business and surrendered its membership with MCX and NCDEX. The evaluation of the facts and legal provisions as brought out above, compels me to arrive at the conclusion that the Noticee is not a 'fit and proper' person and hence is not eligible to continue its business as a stock broker using the certificate of registration no. INZ000102435 granted by SEBI.

DIRECTIONS

28. In exercise of powers conferred upon me under Section 19 read with Section 12(3) of the SEBI Act, 1992 and Regulation 27 of the Intermediaries Regulations, 2008, I do, hereby, cancel the Certificate of Registration bearing

30. Notwithstanding the direction at paragraph 28 above,
