

SECURITIES AND EXCHANGE BOARD OF INDIA

ORDER

Under Section 12(3) of the Securities and Exchange Board of India Act, 1992 read with Regulation 27 of the Securities and Exchange Board of India (Intermediaries) Regulations, 2008

In respect of

Name of the Noticee	SEBI Registration No.
A C Agarwal Commodities Private Limited	INZ000084536

In the matter of National Spot Exchange Limited (“NSEL”)

BACKGROUND

1. The present proceedings originate from the Enquiry Report dated January 31, 2020 submitted by the Designated Authority (hereinafter referred to as the “DA”) in terms of regulation 27 of the SEBI (Intermediaries) Regulations, 2008, as it stood at the relevant point of time, prior to its amendment vide SEBI (Intermediaries) (Amendment) Regulations, 2021, w.e.f. January 21, 2021 (hereinafter referred as “Intermediaries Regulations”), wherein the Designated Authority (hereinafter referred to as “DA”), based on various factual findings and observations so recorded in the said Enquiry Report, has recommended that the certificate of registration of **A C Agarwal Commodities Private Limited** (hereinafter referred to as “**AC Agarwal/Noticee**”) as a stock broker may be cancelled.

2. On the basis of the factual details, material available on record and after considering the reply filed by the Noticee, the DA has made the following recommendation:

“30. In view of the facts and circumstances of the case and material placed me, I am of the view that the Noticee is not a ‘fit and proper’ person in terms of Regulation 5(e) read with Regulation 27(iv) of the Broker Regulations read with Schedule II of the Intermediaries Regulations. Therefore, in terms of Regulation 27 of the Intermediaries Regulations, I recommend that the registration of the Noticee, viz. A C Agarwal Commodities Private Limited (SEBI Registration nos. INZ000084536) as a commodities derivatives broker may be cancelled.”

3. After considering the Enquiry Report, a Post Enquiry Show Cause Notice dated February 25, 2020 (hereinafter referred to as “**SCN**”) enclosing therewith the Enquiry Report of the DA was issued to the Noticee under regulation 28(1) of the Intermediaries Regulations (as applicable at the relevant time) calling upon it to show cause as to why the action of cancellation of Certificate of Registration as recommended by the DA or any other action as deemed fit by the Competent Authority, under regulation 28(2) of the Intermediaries Regulations (as applicable at the relevant time) should not be taken against it. The SCN further required the Noticee to submit its reply, if any, within 21 days of receipt of the same. In response to the said SCN, the Noticee, vide letter dated June 04, 2020 filed its reply.
4. While proceedings in the present matter were ongoing, SEBI passed five separate orders during February 2019 rejecting the applications filed by five other entities for registration as commodity brokers. Aggrieved by the said SEBI orders, the entities filed separate appeals before the Hon’ble Securities Appellate Tribunal (hereinafter referred to as “**Hon’ble SAT**”). The Hon’ble SAT vide its common order dated June 9, 2022, remanded the aforesaid orders to SEBI to decide these matters afresh within six months from the date of the said

order. While remanding the aforesaid SEBI orders, the Hon'ble SAT, *inter alia*, held as under:

“42...The matters are remitted to the WTM to decide the matter afresh in the light of the observations made aforesaid in accordance with law after giving an opportunity of hearing to the brokers. All issues raised by the brokers for which a finality has not been reached remains open for them to be raised before the WTM. It will be open to the WTM to rely upon other material such as the complaint letters of NSEL, EOW report, EOW charge sheet, etc. provided such copies are provided to the brokers and opportunity is given to rebut the allegations. Such additional documents relied upon by the respondent should form part of the show cause notice for which purpose, it will be open to the WTM to issue a supplementary show cause notice...”

5. Subsequently, due to administrative reasons, the competent authority of SEBI, reallocated cases and transferred the present matter to the undersigned for further proceedings.
6. In light of the aforesaid order of Hon'ble SAT and certain other subsequent orders passed by the Hon'ble SAT in similar set of cases from time to time, it was felt necessary to furnish certain additional documents/material to the Noticee before concluding the present proceedings. Accordingly, a notice of hearing dated November 11, 2022 scheduling personal hearing on January 04, 2023 was sent to the Noticee. In light of the aforesaid order of Hon'ble SAT, certain additional documents/material (as indicated in the hearing notice) were provided to the Noticee with the hearing notice and Noticee was advised to file its reply, if any, in respect of the additional documents/information/facts before or on the date of hearing. Vide the aforesaid notice of hearing, the Noticee was also informed that the additional documents/information/facts will be considered by the Competent Authority along with the Enquiry Report.

7. On the scheduled date of hearing, the authorized representatives of the Noticee appeared on behalf of the Noticee through video conferencing and made submissions in line with the replies of the Noticee on record. During the course of hearing, the Noticee was also advised to furnish certain information/documents which was provided by the Noticee vide its letter/email dated January 24, 2023.
8. The written submissions filed by the Noticee vide letters dated June 04, 2020, information provided vide email dated January 24, 2023 and the oral submissions made during the course of the personal hearing held on January 04, 2023 are summarized hereunder:
 - 8.1. The Noticee denies all the allegations contained in the SCN;
 - 8.2. The Noticee has contended that by not providing with the relevant information, data, trade/order log, investigation/inspection report or any other material relied upon by SEBI for issuing the SCN, the principles of natural justice have not been adhered to. Further, it is submitted that the Noticee was advised to refer to publically available documents such as FMC's Order dated December 17, 2013. The reliance of SEBI on the Forward Markets Commission (hereinafter referred to as "**FMC**") Order dated December 17, 2013 is completely misconceived and misplaced as neither the Noticee was a party to the said Order nor the trades of Noticee in paired contracts were matter under consideration of FMC. Thus, the Noticee has contended that principles of natural justice have not been adhered to.
 - 8.3. The DA has failed to appreciate the ratio of *DSJ Communications Ltd.* which squarely apply to the instant matter. The DA has erred in holding that the appointment of DA by the WTM is valid and legal and the WTM of SEBI is empowered to appoint the DA pursuant to Section 3(2) of the SEBI (Delegation of Powers) Order, 2015 in terms whereof the power and functions delegated to any officer of the board can be exercised by any

officer or authority higher in grade or rank to him. The powers delegated to the SEBI officers under the SEBI (Delegation of Powers) Order, 2015 cannot be in derogation of delegation of power which have been delegated under the SEBI Regulations. Regulation 24 of the Intermediaries Regulation was amended on November 21, 2017 to vest the power of appointing DA in Executive Director, which power was earlier exercised by WTM. The latest amendment will prevail over any other provisions contrary to it.

8.4. The applicability of Intermediaries Regulations for the purpose of conducting the enquiry proceedings is wrong and perverse. As per the SCN the Noticee has allegedly participated in the paired contracts at the trading platform of NSEL and also by provisions of Forward Contracts (Regulation) Act, 1952 (hereinafter referred to as “**FCRA**”), SEBI Act and its regulations were not applicable to the Noticee for trading at NSEL during the relevant time. In terms of Section 29A(2)(e) of the FCRA, SEBI could initiate prosecution proceedings against the members of NSEL for alleged violation of FCRA and could not initiate enquiry proceedings under the Intermediaries regulations. FCRA does not fall within the definition of ‘Securities laws’ as given in regulation 2(1)(k) of the intermediaries regulations. The DA has given an erroneous finding that SEBI is statutorily empowered to initiate the proceeding to determine whether the Noticee is a fit and proper person or not. The actions of the Noticee’s at the relevant time were not governed by SEBI Regulations but were governed by NSEL’s bye laws, Regulations, etc. and provisions of FCRA and hence SEBI could only initiate criminal proceedings against the Noticee which it has initiated subsequently.

8.5. The DA did not consider Noticee’s objection on SEBI’s jurisdiction on spot market. It is submitted the letter dated November 20, 2015 of the Ministry of Finance states that “*SEBI is not expected to deal with matters which*

were not dealt with by the erstwhile FMC.... It is further clarified that since spot markets/ready delivery contracts were not being regulated by the FMC, SEBI is not expected to take upon itself any regulatory function with regard to such markets.” Thus, as per the mandate of the said letter, SEBI is not supposed to deal with the matter in question pertaining to members of NSEL which was not taken up by erstwhile FMC. SEBI is not expected to take upon itself any regulatory function with respect to spot markets/ready delivery contracts.

8.6. The DA has wrongly relied upon the case of ***Jermyn Capital LLC vs SEBI***¹, to show that close association with any person who does not enjoy a good relationship is good enough to determine that the person in question is not fit and proper. It is submitted that in the instant case, there is no allegation that any of the directors or KMP of the Noticee is having any close association with anyone against whom CBI or any other intelligence agencies have initiated prosecution proceedings. Thus, the reliance on said case by the DA is wrong and without any basis.

8.7. A member of a stock exchange or a person holding a certificate of registration from SEBI as an intermediary cannot be construed as having close association with the exchange or SEBI merely on the basis of being a member or intermediary.

8.8. The DA has set out certain observations made by Courts and certain authorities including the observations made by the Economic Offence Wing (“EOW”), Interim Report submitted to FMC by EOW vide letter dated April 04, 2015, circular dated March 10, 2015 which were not pertaining to the Noticee. The reliance has been placed upon the proceedings which were sub-judice or to which the Noticee was not privy.

¹ SAT Appeal No. 21 of 2006

- 8.9. Bombay High Court vide its Order dated August 22, 2019 has held that the paired contracts were not financial transactions but were trades in commodities as per regulations and bye laws of NSEL. Consequently, upon finding of Hon'ble High Court that NSEL is not a 'financial Establishment' and the paired contracts are not 'financial transactions' under MPID Act, the EOW case and SFIO Report, as far as they allege paired contracts were financial transactions have become redundant and infructuous.
- 8.10. SEBI has initiated enquiry not only against the Noticee but against other 304 members of NSEL also and it is legally untenable to contend that anyone who dealt in paired contracts as member of NSEL would be declared as not a "fit and proper" person.
- 8.11. It is not clear how the observations of the various agencies and Courts on the role of NSEL or the mismanagement of NSEL by its promoters/KMP can have bearing on the Noticee's criteria as a fit and proper person. FMC's Order dated December 17, 2013 has found fault with the operations of NSEL for launching paired contracts and the role of its promoters and KMP. Neither the Noticee was a party to said proceedings nor the FMC considered the role/activities of the Noticee as member of NSEL. Hence, the said order has no relevance so far as the Noticee is concerned.
- 8.12. The observations of Hon'ble Bombay High Court in the matter of *63 Moons Tech Limited vs Union of India* have become redundant on account of the detailed judgment dated August 22, 2019 of the Hon'ble Bombay High court.
- 8.13. The reliance of DA on the interim report of EOW is erroneous and misplaced and there are no specific charges made against the Noticee in the interim report. The Noticee had traded in/facilitated in the paired contracts as a member of NSEL in accordance with the business rules and regulations of NSEL and as on date of closure of business of NSEL, there

was no payout obligation on the Noticee and the Noticee is not a defaulting member.

8.14. The EOW Report does not hold the Noticee responsible for indulging in any of the activities mentioned in the EOW report, which formed the basis of investigation. The Show Cause Notice dated September 25, 2018 as also the enquiry report has neither alleged nor brought out any of the said activities of the Noticee in particular.

8.15. The DA has failed to appreciate that the paired contracts were introduced by NSEL with the approval of NSEL and the Noticee as a member of NSEL had no other option but to trade in such contracts by observing the business rules and regulations of NSEL. Thus, the DA's observation that the Noticee as commodity broker allowed itself to become an instrument of NSEL in promoting trading in paired contract among its clients is erroneous.

8.16. The DA has not dealt with or given due consideration to various contentions like its clients were duly registered with proper KYC, member client agreement and that all the trades were carried out as per NSEL system and that no brochure/ pamphlets/ presentations on NSEL were issued or provided to its clients by the Noticee. The said paired contract product was widely traded in the market and became popular amongst the risk savvy investors having investible surplus and intending to invest it in relatively low risk products. In this background, few of the Noticee's clients requested it to allow them to invest their funds. After carrying out the due diligence, the Noticee started trading in the product only for some of its clients.

8.17. Out of around 130 registered clients with the Noticee in the equity and commodity broking entities, the Noticee executed trades only for 19 clients who had approached it at their own instance which proves that the Noticee neither marketed this product nor it had intention to do so. There has been

no complaints or grievances or allegations of any violations of regulations against the Noticee.

8.18. It is clear from the contents of the Government of India letter dated December 30, 2014 that the Government wanted FMC to take action against NSEL. The letter is conspicuously silent on the activities of member of NSEL or any contemplated action against them.

8.19. The Hon'ble Apex court in its Judgment and Order dated April 30, 2019, in the case of amalgamation of 63 moons by the Central Govt. with NSEL, has observed that the paired contracts of NSEL were in breach of exemption granted to NSEL and FCRA. The said judgment has no relevance so far as the role of members of NSEL or the Noticee is concerned. It is incorrect to suggest or infer that because the Noticee traded in paired contracts, it was closely associated with the NSEL and paired contracts.

8.20. The Hon'ble Supreme Court in its Judgment dated April 30, 2019 has held that no 'public interest' is involved in recovery of private dues of traders who traded on NSEL. Relying on the said observations of the Hon'ble Supreme Court, Hon'ble Bombay High Court in its Interim Order dated January 15, 2020 in *Moonish Rangari & Ors. vs Union of India* has held that the entire jurisdictional basis of the SFIO Investigation which was ordered by the Central Government in the purported 'public interest' vide its Order dated October 28, 2016 has ceased to exist. In view thereof, the SFIO investigation report appears to be without jurisdiction and hence cannot be relied upon by SEBI for drawing any adverse inference.

8.21. Broker operating on the stock exchange cannot be treated as a close associate of a stock exchange unless there is a common ownership, management and control. Since paired contracts were a product of NSEL in which the investors could trade, the same cannot be viewed as a person or entity enjoying good or bad reputation. Thus, alleging close association

between the Noticee and paired contracts is flawed. It is submitted that adverse observations made by Apex Court/GOI against NSEL and paired contracts has nothing to do with the Noticee as the Noticee was neither a party to the said proceedings nor the observations were directed against it.

CONSIDERATION OF ISSUES AND FINDINGS

9. I have carefully perused the Enquiry Report dated January 31, 2020, SCN dated February 25, 2020, the reply dated June 04, 2020 and the oral submissions made by the Noticee during the personal hearings held on January 24, 2023 and other materials/information as available in the public domain and also made available to the Noticee. After considering the allegations made/charges levelled against the Noticee in the instant matter as spelt out in the SCN, the limited issue which arises for my consideration in the present proceedings is whether the Noticee satisfies the '*fit and proper person*' criteria as laid down under Schedule II of the Intermediaries Regulations.
10. Before I proceed to examine the charges vis-à-vis the evidences available on record, it would be appropriate at this stage to refer to the relevant provisions of the law, which are alleged to have been violated by the Noticee and/or are referred to in the present proceedings. The same are reproduced below for ease of reference:

INTERMEDIARIES REGULATIONS, 2008

SCHEDULE II

**SECURITIES AND EXCHANGE BOARD OF INDIA
(INTERMEDIARIES) REGULATIONS, 2008**

[See regulation 7]

(1) The applicant or intermediary shall meet the criteria, as provided in the respective regulations applicable to such an applicant or intermediary including:

- (a) the competence and capability in terms of infrastructure and manpower requirements; and*
- (b) the financial soundness, which includes meeting the net worth requirements.*

(2) The 'fit and proper person' criteria shall apply to the following persons:

- (a) the applicant or the intermediary;*
- (b) the principal officer, the directors or managing partners, the compliance officer and the key management persons by whatever name called; and*
- (c) the promoters or persons holding controlling interest or persons exercising control over the applicant or intermediary, directly or indirectly:*

Provided that in case of an unlisted applicant or intermediary, any person holding twenty percent or more voting rights, irrespective of whether they hold controlling interest or exercise control, shall be required to fulfil the 'fit and proper person' criteria.

Explanation *—For the purpose of this sub-clause, the expressions “controlling interest” and “control” in case of an applicant or intermediary, shall be construed with reference to the respective regulations applicable to the applicant or intermediary.*

- (3) *For the purpose of determining as to whether any person is a 'fit and proper person', the Board may take into account any criteria as it deems fit, including but not limited to the following:*
- (a) integrity, honesty, ethical behaviour, reputation, fairness and character of the person;*
 - (b) the person not incurring any of the following disqualifications:*
 - (i) criminal complaint or information under section 154 of the Code of Criminal Procedure, 1973 (2 of 1974) has been filed against such person by the Board and which is pending;*
 - (ii) charge sheet has been filed against such person by any enforcement agency in matters concerning economic offences and is pending;*

- (4) *Where any person has been declared as not 'fit and proper person' by an order of the Board, such a person shall not be eligible to apply for any registration during the period provided in*

the said order or for a period of five years from the date of effect of the order, if no such period is specified in the order.

(5) At the time of filing of an application for registration as an intermediary, if any notice to show cause has been issued for proceedings under these regulations or under section 11(4) or section 11B of the Act against the applicant or any other person referred in clause (2), then such an application shall not be considered for grant of registration for a period of one year from the date of issuance of such notice or until the conclusion of the proceedings, whichever is earlier.

(6) Any disqualification of an associate or group entity of the applicant or intermediary of the nature as referred in sub -clause (b) of clause (3), shall not have any bearing on the 'fit and proper person' criteria of the applicant or intermediary unless the applicant or intermediary or any other person referred in clause (2), is also found to incur the same disqualification in the said matter:

Provided that if any person as referred in sub-clause (b) of clause (2) fails to satisfy the 'fit and proper person' criteria, the intermediary shall replace such person within thirty days from the date of such disqualification failing which the 'fit and proper person' criteria may be invoked against the intermediary:

Provided further that if any person as referred in sub -clause (c) of clause (2) fails to satisfy the 'fit and proper person' criteria, the intermediary shall ensure that such person does not exercise any voting rights and that such person divests their holding within six months from the date of such disqualification failing which the 'fit and proper person' criteria may be invoked against such intermediary.

(7) The 'fit and proper person' criteria shall be applicable at the time of application of registration and during the continuity of registration and the intermediary shall ensure that the persons as referred in sub -clause s (b) and (c) of clause (2) comply with the 'fit and proper person' criteria."

Recommendation of action

26. (1) After considering the material available on record and the reply, if any, the designated authority may by way of a report, recommend the following measures, –

- (i) disposing of the proceedings without any adverse action;
- (ii) cancellation of the certificate of registration;
- (iii) suspension of the certificate of registration for a specified period;
- (iv) prohibition of the noticee from taking up any new assignment or contract or launching a new scheme for such the period as may be specified;
- (v) debarment of an officer of the noticee from being employed or associated with any registered intermediary or other person associated with the securities market for such period as may be specified;
- (vi) debarment of a branch or an office of the noticee from carrying out activities for such period as may be specified;
- (vii) issuance of a regulatory censure to the noticee:

Provided that in respect of the same certificate of registration, not more than five regulatory censures under these regulations may be recommended to be issued, thereafter, the action as detailed in clause (ii) to (vi) of this sub-regulation may be considered.

Order.

27. (5) After considering the facts and circumstances of the case, material on record and the written submission, if any, the competent authority shall endeavor to pass an appropriate order within one hundred and twenty days from the date of receipt of submissions under sub-regulation (2) or the date of personal hearing, whichever is later.

11. Before coming to the merits of the case, it is relevant to deal with some of the preliminary contentions of the Noticee. I note that the Noticee has contended that the principles of natural justice have not been adhered as it has not been provided with relevant information, data, trade/order log, investigation/ inspection report or any other material relied upon by SEBI for issuing the SCN

and the Enquiry Report has been prepared based on irrelevant documents available in public domain and which have no bearing on the case. In this regard, I note that all the relevant and relied upon documents pertaining to the instant proceedings has been provided to the Noticee. I note that the same contention was raised by the Noticee before the DA also who had observed that vide letter dated July 26, 2019, the documents relied upon by the DA to determine whether the Noticee had participated in/facilitated trading in paired contracts on NSEL platform was provided to the Noticee. I also note that pursuant to the issuance of SCN, additional material like SEBI complaint letter dated September 24, 2018, FIR dated September 24, 2018 registered with EOW and amended Schedule II of the Intermediaries Regulations has also been provided to the Noticee along with the Notice of Hearing dated November 11, 2022. Thus, the contention that the principles of natural justice has not been adhered is misconceived as the Noticee has been provided with all the relevant and relied upon documents.

12. Noticee has also submitted that the SFIO investigation report is without any jurisdiction and cannot be relied upon by SEBI for drawing any adverse inference. In this regard, I note the SFIO Investigation Report has not been relied upon in conclusion of the present proceedings and thus the contention of the Noticee is devoid of any merit.

13. The Noticee has further contended that the power to appoint a Designated Authority (DA) has been vested with the Executive Director while in the instant case the DA was appointed by the WTM of SEBI, thereby raising a concern about the irregularity in the appointment of DA. In this regard, I note that Section 3(2) of the Securities and Exchange Board of India (Delegation of Powers) Order, 2015(DoP Order) specifically provides that, "*The powers and functions delegated to any member or officer of the Board or authority under the Order can be exercised by any officer or authority higher in grade or rank or position to him*". Thus, the appointment of DA by an authority i.e. WTM of SEBI who is

higher in grade, rank and position to the Executive Director of SEBI, is clearly in compliance with Intermediaries Regulations read with (Delegation of Powers) Order, 2015.

14. Further, the Noticee has also argued that the aforesaid stance as regard the appointment of DA is not valid in view of Section 3(1) of the DoP Order to submit that said order cannot be in derogation of powers/ functions specified under the Securities Laws. The above submissions of the Noticee appears to be without any basis to substantiate how the DoP Order is in derogation of the functions/ powers specified under the Securities Laws. It is pertinent to note here that while the Intermediaries Regulations provide for appointment of DA by an Executive Director, the same, when read along with the aforementioned Section 3(2) of the DoP Order, empower the Whole Time Member also to make the appointment. Accordingly, the submissions of the Noticee in this regard are rejected
15. The Noticee has also raised objections on the jurisdiction of SEBI to initiate action against the Noticee for the alleged violations of FCRA. It is submitted that the DA has given an erroneous finding that SEBI is statutorily empowered to initiate the proceedings to determine the fit and proper status of the Noticee. The actions of the Noticee's at the relevant time were not governed by SEBI Regulations but were governed by NSEL's bye laws, Regulations etc. and provisions of FCRA. It is further contended that SEBI does not have the power and jurisdiction to regulate the Spot Market and in this regard has relied upon the letter dated November 20, 2015 of the Ministry of Finance. In this regard, without going into the merits of the contention that whether SEBI has the authority to regulate Spot Market or not, I note that the issue under consideration in the present proceedings is limited to the determination of "*fit and proper*" status of the Noticee under the Intermediaries Regulations. It is a settled position that SEBI has the statutory authority to determine the "*fit and proper*" status of the intermediaries registered with it. Accordingly, to argue that

the 'fit and proper' status of an entity can be adjudged only on the basis of violation of SEBI Act or allied regulations would not be correct. Since the Noticee is an intermediary registered with SEBI, I am of the considered view and agree with the findings of the DA that SEBI is within its jurisdiction to determine the "*fit and proper*" status of the Noticee.

16. Moreover, SEBI had filed a complaint dated September 24, 2018 with the concerned police authorities for initiating appropriate action for the violations of the provisions of FCRA *inter alia* alleged to have been committed by the Noticee. I also note from the records that on the basis of the said complaint of SEBI, a FIR dated September 28, 2018 was registered with MIDC Police Station, Mumbai and the same is subsisting. In the background of these facts, it is pertinent to see the scope and scheme of Section 29A(2)(e) of the FCRA which is reproduced as under for ease of reference:

"29A. Repeal and savings. — (1) The Forward Contracts (Regulation) Act, 1952 (74 of 1952) is hereby repealed.

(2) On and from the date of repeal of Forward Contracts Act—

(e) a fresh proceeding related to an offence under the Forward Contracts Act, may be initiated by the Security Board under that Act within a period of three years from the date on which that Act is repealed and be proceeded with as if that Act had not been repealed;"

A bare perusal of the aforesaid provision would reveal that it is an enabling provision which enables SEBI to initiate fresh proceedings within a period of three years from the date on which the FCRA is repealed. As stated above, SEBI has *inter alia* filed complaint against the Noticee within the stipulated period as specified in the FCRA. Accordingly, I note that SEBI has taken appropriate steps for the alleged violation of the provisions of the FCRA. Therefore, I am of the considered view that the issue related to jurisdiction of SEBI has no merit and is accordingly rejected.

17. I note that prior to the merger of FMC with SEBI (w.e.f. September 28, 2015), the Noticee was not required to be registered under FCRA or any other regulation to be a commodity derivatives broker, however, after the merger of FMC with SEBI, a commodity derivatives broker is required to mandatorily have a certification of registration from SEBI in case it is desirous to remain associated with the Securities Market as a commodity derivatives broker. It is seen that the Finance Act, 2015 (as notified on May 14, 2015) conferred the power of regulation over intermediaries dealing in commodity derivatives to SEBI and also mandated regulation of commodity derivatives brokers by SEBI, which included their registration as commodity derivatives broker with SEBI. In this regard, vide Section 131B of the Finance Act, 2015, a transitory period of 3 months was provided to all the intermediaries which were associated with commodity derivatives market under the erstwhile FCRA, but did not require a registration certificate earlier, to continue to deal in commodity derivatives as a commodity derivatives broker, provided it made an application of registration to the SEBI within 3 months from September 28, 2015. Accordingly, the Noticee submitted an application to be registered as a Stock Broker and was subsequently registered as a broker on April 04, 2016 and since then it has been acting as a market intermediary registered with the SEBI.

Scope of the present proceedings vis-à-vis order passed by the Hon'ble SAT on June 09, 2022

18. In light of the order passed by the Hon'ble SAT on June 09 2022, as mentioned at paragraph 4 above in the NSEL matters and in the interest of natural justice, the following documents/information were enclosed along with the notice of hearing dated November 11, 2022 and the Noticee was informed that these additional documents/information would be considered by the competent authority along with the Enquiry Report submitted by the DA.

18.1. SEBI complaint dated September 24, 2018 filed with Economic Offence Wing ('EOW');

18.2. First Information Report ('FIR') dated September 28, 2018; and

18.3. Amended Schedule II of the Intermediaries Regulations.

19. In this regard, I find it apposite to encapsulate to list the grounds on which the SEBI orders were set aside by the Hon'ble SAT, which consequently led to issuance of the aforesaid documents, along with the hearing notice, to the Noticee in the present matter:

19.1. The observations of the Hon'ble Bombay High Court in the matter of *63 Moons vs. Union of India*² cannot be relied upon as the said judgement has been set aside in appeal³ by the Hon'ble Supreme Court vide judgment dated April 30, 2019.

19.2. The observation from the Order dismissing the Writ Petition filed by NSEL against the invocation of the Maharashtra Protection of Interest of Depositors (in Financial Establishments) Act, 1999 (for short "**MPID Act**") (*NSEL vs. State of Maharashtra*⁴) cannot be relied upon, as in a subsequent Writ Petition⁵ moved by 63 Moons, a Division Bench of the Hon'ble Bombay High Court has allowed the prayer and held that NSEL is not a financial establishment and therefore the provisions of the MPID Act are not applicable. The Division Bench also observed that the *prima facie* observations made by the single bench while dismissing NSEL petition could not be relied upon as they were preliminary observations and such observations do not foreclose the issue about the applicability of the provisions of the MPID Act. The Hon'ble Tribunal, I note, was of the opinion that *prima facie*

observations cannot be utilized to judge the reputation, character or integrity of NSEL.

19.3. The observations in the bail rejection order dated August 22, 2014, passed by the Hon'ble Bombay High Court in the matter of **Jignesh Prakash Shah vs. The State of Maharashtra**⁶, cannot also be relied upon as the observations made in a bail order were limited to the fact as to whether the bail should be granted or not.

19.4. Reliance on the SFIO Report, the Tribunal has held, was misplaced. The report only directs EOW/Police to initiate appropriate proceedings against NSEL and its directors/promoters. Based on the SFIO Report, the Special Sessions Judge took cognizance of the matter by an Order dated July 29, 2019. But this Order was challenged by NSEL and two other accused and has since been stayed by the Hon'ble Bombay High Court. Also, no complaint yet has been filed against the Appellants pursuant to the SFIO Report.

19.5. Effect of SFIO Report under the Code of Criminal Procedure, 1973, as to whether such report could be treated as evidence, was not considered by SEBI.

19.6. Reliance placed on decisions of the Hon'ble Tribunal in the matter of **Jermyn Capital vs. SEBI**⁷ and **Mukesh Babu Securities vs. SEBI**⁸ is misplaced as decisions in the said matters are distinguishable on facts. Jermyn Capital was held to be in relation to an Interim Order passed by SEBI, and the Tribunal was of the view that the criteria for passing an Ad Interim Order are based on a different criterion, namely *prima facie* case, the balance of convenience and irreparable injury which are distinct and different while considering an application for grant of

Certificate of Registration. The decision in the matter of *Mukesh Babu Securities* was distinguished by the Hon'ble Tribunal on the basis that in the matter a criminal complaint was filed against the Chairman of the Company. The Hon'ble Tribunal noted that there is no evidence to show that any proceedings have yet been initiated against the appellants in the matter under consideration.

19.7. Reputation of the applicant cannot be lightly considered based on observations which are not directly related to the applicant.

19.8. Grant Thornton Forensic report commissioned by SEBI does not find any close connection between applicant and NSEL. This was overlooked by SEBI.

19.9. SEBI Order does not state for how long the rejection of application will continue. The Hon'ble Tribunal was of the view that the rejection cannot continue indefinitely, and in such cases, a time period should be provided during which the applicant will become ineligible to seek fresh registration.

20. It is also noted from Hon'ble SAT's Order that the matter was remanded to SEBI, taking into consideration the contention made by the counsel appearing on behalf of SEBI that there was additional material available, which had come into existence after the SEBI orders, based on which the findings in the said order could be sustained. The Hon'ble Tribunal, taking into consideration the submissions made on behalf of SEBI, held that:

"It will be open to the WTM to rely upon other material such as the complaint letters of NSEL, EOW report, EOW charge sheet, etc. provided such copies are provided to the brokers and opportunity is given to rebut the allegations. Such additional documents relied upon by the respondent should form part of the show cause notice for which purpose, it will be open to the WTM to issue a supplementary show cause notice. It will also be

open to SEBI if it considers necessary, to conduct an independent enquiry proceeding against the connected entities and persons associated with the brokers against whom evidence is available.”

21. Before moving forward to consider the matter on merits and test the compliance of the Noticee with the *‘fit and proper person’* criteria, on the basis of the additional material that has been brought on record post Hon'ble SAT's order (as detailed at paragraph 18 above), the background facts necessary for the present proceedings are narrated in brief, hereunder:

21.1. The Noticee, A C Agarwal Commodities Private Limited, is a commodity broker registered on December 30, 2016 with SEBI.

21.2. NSEL was incorporated in May 2005 as a Spot Exchange *inter alia* with a purpose of developing an electronic Spot Exchange for trading in commodities. In exercise of powers conferred under Section 27 of the FCRA, the Central Government vide its 2007 Exemption Notification, granted an exemption to all forward contracts of one-day duration for the sale and purchase of commodities traded on NSEL from operations of the provisions of the FCRA subject to certain conditions, *inter alia* including “*no short sale by the members of the exchange shall be allowed*” and “*all outstanding positions of the trades at the end of the day shall result in delivery*”.

21.3. In October 2008, NSEL commenced operations providing an electronic trading platform to its participants for spot trading of commodities, such as bullion, agricultural produce, metals, etc. It is observed that NSEL had introduced the concept of *‘paired contracts’* in September 2009 which allowed buy and sell in same commodity through two different contracts at two different prices on the exchange platform wherein the investors could buy a short duration contract and sell a long duration contract and vice versa at the same time and at a pre-determined price. The trades for the Buy contract (T+2 / T+3) and the Sell contract (T+25/ T+36) used

to happen on NSEL on the same day at same time and at different prices, involving the same counterparties. The transactions were structured in a manner that buyer of the short duration contract always ended up making profits.

21.4. On February 06, 2012, the erstwhile FMC was appointed by the Department of Consumer Affairs, Government of India as the 'designated agency' as stipulated in one of the conditions prescribed under the said 2007 Exemption Notification, authorizing it to collect the trade data from NSEL and to examine the same for taking appropriate measure, if needed, to protect investors' interest. The FMC had accordingly called for the trade data from different Spot Exchanges, including NSEL in the prescribed reporting formats. After analyzing the trade data received from NSEL, the FMC passed Order No. 4/5/2013-MKT-1/B dated December 17, 2013 in the matter (hereinafter referred to as "**FMC Order**") wherein it was *inter alia* observed that 55 contracts offered for trade on the NSEL platform were in violation of the relevant provisions of the FCRA and that the condition of 'no short sale by members of the exchange shall be allowed' was being not complied with by the NSEL and its members. FMC further observed that the '*paired contracts*' offered for trading in NSEL platform were in violation of the provisions of FCRA and also in violation of the conditions specified by the Government of India in its 2007 Exemption Notification, while granting exemptions to the one day forwards contract for sale and purchase of commodities traded on NSEL, from the purview of the FCRA.

22. It is contended that the Noticee was neither a party to the FMC order nor the trades of Noticee in paired contracts were matter under consideration of FMC and thus FMC order cannot be relied upon. In this regard, I note that reference has been drawn to the FMC Order only to recognize the nature of contracts

being traded on the NSEL and violations of the relevant provisions of law in order to ascertain the fit and proper status of the Noticee in the securities market. From the perusal of the FMC Order in respect of the '*paired contracts*', which were traded on NSEL platform during the relevant period, I note that the FMC had, *inter alia*, observed that the following conditions stipulated in the 2007 Exemption Notification were violated:

a. Short Sale

NSEL had not made it mandatory for the seller to deposit goods in its warehouse before taking a sell position. Hence, the condition of "*no short sale by members of the NSEL shall be allowed*" was not being met by NSEL and its trading/clearing members who traded in the '*paired contracts*' during the relevant period.

b. Contracts with Settlement Period going beyond 11 days

Some of the contracts offered for trade on NSEL had settlement periods exceeding 11 days and therefore, such contracts were "*non-transferable specific delivery*" contracts under the FCRA. As per the FCRA, the "*ready delivery contracts*" were required to be settled within 11 days of the trade and hence, the contracts traded on NSEL, which provided settlement schedule for a period exceeding 11 days were not allowed and were in violation of 2007 Exemption Notification.

23. Thus, I note that NSEL was granted conditional exemption from the provisions of FCRA by the Department of Consumer Affairs, Ministry of Consumer Affairs (for short "**MCA**"), Food and Public Distribution, Government of India, vide Gazette Notification No. S0906 (E) dated June 05, 2007, in exercise of the powers conferred under Section 27 of the FCRA, for (i) forward contracts, (ii) for sale and purchase of the commodities, of one-day duration traded on NSEL subject to certain conditions which, *inter alia*, included that '*no short sale by members of the NSEL shall be allowed*' and that all '*outstanding positions of*

the trade at the end of the day shall result in delivery'. It was also stipulated that all information or returns relating to the trade as and when asked for shall be provided to the Central Government or its designated agency. The spot exchanges were envisaged as a platform for providing transparent and secure trading in commodities with a view to boost the agriculture sector in the country. Thereafter, NSEL commenced operations in October 2008.

24. In this regard, the relevant observations of the FMC as recorded in its Order dated December 17, 2013 and also captured in the SCN are reproduced as under:

"....a large number of NSEL exchange trades were carried out with paired back-to-back contracts. Investors simultaneously entered into a "short term buy contract" (e.g. T+2, i.e. 2 day settlement) and a "long term sell contract" (e.g. T + 25 i.e. 25day settlement). The contracts were taken by the same parties at a pre-determined price and always registering a profit on the long-term positions....."

NSEL conducted its business not in accordance with the conditions stipulated in the notification dated 05.06.2007 granting it exemption from the operation of FCRA, 1952, with regard to the one-day forward contracts to be traded on its exchange platform. the condition of 'no short-sell' and 'compulsory delivery of outstanding position at the end of the day' stipulated in the notification were violated by NSEL. NSEL Board allowed launching of paired back-to-back contracts on its exchange platform comprising a short-term buy contract (T+2 settlement) and a long-term sell contract (T+25 settlement) with predetermined price and profit for the buyer and seller, which violated the very concept of spot market of commodities and the transactions ultimately were in the nature of financial transactions" (emphasis supplied)

25. It is, therefore, clear that NSEL was given permission to setup as a spot exchange for trading in commodities. It was essentially meant to only offer

forward contracts having one-day duration as per 2007 Exemption Notification. I note from the FMC Order that FMC had observed that the 55 contracts offered for trade on NSEL were with settlement periods exceeding 11 days and all such contracts traded on NSEL were in violation of provisions of FCRA. I further note from the FMC Order that under FCRA, a “*forward contract*” is defined as a “*contract for delivery of goods and which is not a ready delivery contract*”. A ‘*ready delivery contract*’ is defined as “*a contract which provides for the delivery of goods and the payment of a price therefor, either immediately or within such period not exceeding eleven days*”. Given the said definition contained in FCRA, FMC was of the view that all the contracts traded on NSEL which provided settlement schedule exceeding 11 days were treated as *Non-Transferable Specific Delivery contracts*. It is, therefore, noted that even though MCA had stipulated in the 2007 Exemption Notification that only contracts of one-day duration were permitted to be offered on NSEL, FMC, in its Order, relying on the definition of “*forward contract*” under FCRA held that NSEL was allowed to only trade in one-day forward contracts and was obliged to ensure delivery and settlement within 11 days. Therefore, even going by the interpretation adopted by FMC, what is beyond doubt is that NSEL had permitted 55 contracts of various commodities having duration longer than 11 days and these contracts were *ex facie* in contravention of the exemption granted to NSEL.

26. In this regard, it is pertinent to refer to the judgment of the Hon'ble Supreme Court of India in the matter of *63 Moons Technologies Ltd. (formerly known as Financial Technologies India Ltd.) & Ors. v. Union of India & Others*⁹ (hereinafter referred to as the “**merger petition**”), wherein it was, *inter alia*, held that:

“There is no doubt that such Paired Contracts were, in fact, financing transactions which were distinct from sale and purchase transactions in

⁹ (2019)18 SCC 401. Also available at <https://indiankanoon.org/doc/169098295/>

commodities and were, thus, in breach of both the exemptions granted to NSEL, and the FCRA”.

27. It is also pertinent to refer to the judgment dated April 22, 2022 passed by the Hon’ble Supreme Court in the matter of *The State of Maharashtra vs. 63 Moons Technologies Ltd.*¹⁰ (hereinafter referred to as “**MPID matter**”) which overruled the Hon’ble Bombay High Court Order dated August 22, 2019 which has been relied upon by the Noticee to argue that paired contracts were not financial transactions but were trades in commodities as per regulations and bye laws of NSEL. In the said MPID matter, Hon’ble Supreme Court, while drawing reference to the presentations made by NSEL in respect of the ‘paired contracts’, has, *inter alia*, held that:

*“The above representation indicates that ‘paired contracts’ were designed as a unique trading opportunity by NSEL under which a trader would, for instance, purchase a T+2 contract (with a pay-in obligation on T+2) and would simultaneously sell a T+25 contract (with a pay-out of funds on T+25). The price differential between the two settlement dates was represented to offer an annualized return of about 16%. NSEL categorically represented that all trades were backed by collaterals in the form of stocks and its management activities included selection, accreditation, quality testing, fumigation and insurance. **Therefore, NSEL represented that on receiving money and commodities, the members would receive assured returns and a service.** Though NSEL has been receiving deposits, it has failed to provide services as promised against the deposits and has failed return the deposits on demand. Therefore, the State of Maharashtra was justified in issuing the attachment notifications under Section 4 of the MPID Act.” (emphasis supplied)*

28. I, therefore, note that the Hon’ble Supreme Court has already commented on the nature of the ‘paired contracts’ offered on NSEL platform. In the merger

¹⁰ Civil Appeal No. 2748-49 of 2022. Also available at <https://indiankanoon.org/doc/184205229/>

petition (*63 Moons Technologies Ltd. vs. UOI*), it was held that these contracts were in the nature of financing transactions. In the MPID matter (*The State of Maharashtra vs. 63 Moons Technologies Ltd.*), the Hon'ble Supreme Court has held that such transactions come within the definition of '*deposits*' under the MPID Act. In the MPID matter, Hon'ble Supreme Court had extensively discussed the nature of paired contracts, the claims made on the website of NSEL and the contents of the publicity material and other investor resources. In this regard, it can be noted that NSEL was advertising a uniform return (e.g. 16% p.a.) for the '*paired contracts*' traded on its platform. The return offered was the same across commodities. The return remained the same irrespective of the duration of the contract. For example, a T+2 & T+25 paired contract in steel had the same offered return as a T+ 2 & T + 35 paired contract in castor oil. The '*paired contracts*', it is noted, were being marketed as an alternative to fixed deposits.

29. I note that the FMC Order and both judgments of the Hon'ble Supreme Court go into abundant detail regarding NSEL permitting short sales i.e., permitting sellers to offer contract for sale of commodities on its platform without ensuring that requisite amount of commodity is available in the warehouse. It is further noted from the judgment of the Hon'ble Supreme Court in the MPID matter that the overwhelming majority of the sale leg of the '*paired contracts*' which were executed were short sales and naked short sales - that the commodities to back such sales were not available at the designated warehouses of NSEL.
30. Considering the deliberations and discussions recorded above, it essentially leads to the moot question as to whether the Noticee while facilitating such transactions for its clients was under the *bonafide* belief that the '*paired contracts*' were actually spot contracts in commodities. Or, can it be said that the very fact that '*paired contracts*' were offered meant that NSEL was offering contracts which were not resulting in compulsory delivery and, therefore, the Noticee should have been aware that such a product was altogether different

from the spot trading in commodities, which was permitted on NSEL's platform. Further, as stated above, NSEL itself was advertising such contracts as an alternative to fixed deposits and the return offered was 16% across all commodities irrespective of the nature of the contract or the duration. Also, these contracts were structured in a manner which ensured that the buyer always made pre-determined profits.

31. In the undeniable background that there was a settlement default at NSEL, it is clear that there were enough red flags which should have alerted the Noticee when these products were first offered by NSEL. With the material on record, it is further clear that any prudent person (including the Noticee) would have come to the conclusion that what was being offered were not spot contracts in commodities and rather had trappings of a financial product which offered fixed and assured returns, as the Hon'ble Supreme Court has already held in the MPID matter.

32. In this context, I note that the Noticee in its submissions dated June 04, 2020 has stated that out of around 130 registered clients with the Noticee in the commodity broking entities, it executed trades only for 19 clients who had approached it at their own instance. I also note that the DA has also made reference to the Interim Report of EOW and observed that in the EOW report, at the time of default the amount of money exposure mentioned against the name of the Noticee was ₹ 54, 91,182. Further, the Noticee's name was also mentioned in the annexure to the NSEL circulars on special payout and total special payout of ₹ 7,48,305 was mentioned against the name of the Noticee for its 4 clients. Thus, there is ample evidence to demonstrate that the Noticee had facilitated trading in the paired contracts on the NSEL platform on behalf of its clients. Since, it is an admitted position that the Noticee has dealt in 'paired contracts', the quantum of such dealings and whether any complaints or grievance is pending or not lodged against the Noticee is irrelevant for the present proceedings.

33. Having noted that the Noticee has traded in *'paired contracts'* for its clients, I now proceed to examine the allegations levelled against the Noticee in the SCN. It is noted that the main allegation against the Noticee, as levelled in the SCN, is that by facilitating in the trading in *'paired contracts'* on NSEL platform during the relevant period as a Trading Member/Clearing Member, the Noticee has violated the conditions stipulated in the 2007 Exemption Notification and consequently also the provisions of the FCRA. Therefore, it was alleged in the SCN that the continuance of the registration of the Noticee as a broker is detrimental to the interest of the Securities Market and the Noticee is no longer a *'fit and proper person'* for holding the certificate of registration as a broker in the Securities Market, which is one of the conditions for continuance of registration as specified in regulation 5(e) of the Stock Brokers Regulations read with Schedule II of the Intermediaries Regulations as applicable at the relevant time. In this context, I note that the Noticee in its submissions has, inter alia, submitted that the DA has failed to appreciate that the paired contracts were introduced and approved by NSEL and the Noticee as a member of NSEL had no other option but to trade in such contracts by observing the business rules and regulations of NSEL. Thus, the DA's observation that the Noticee as commodity broker allowed itself to become an instrument of NSEL in promoting trading in paired contract among its clients is erroneous.

34. With respect to the above arguments of the Noticee, I note that the Noticee, as a broker and as a member of NSEL, represented NSEL to the regular investors. The execution of the trades in *'paired contracts'* by the Noticee shows the participation of the Noticee in the scheme perpetrated by NSEL to provide its platform for trading in *'paired contract'* that were not permitted under the 2007 Exemption Notification and were purely financial contracts promising assured returns under the garb of spot trading in commodities. Therefore, the Noticee by its conduct and as a member of NSEL has acted as an instrument of NSEL

in promoting and/or dealing in '*paired contracts*' which were in the nature of financing transactions (as held by the Hon'ble Supreme Court of India referred *supra*). The Noticee, by providing access for taking exposure to '*paired contracts*' has exposed its clients to the risk involved in trading in a product that did not have regulatory approval. The same raises doubt on the competence of the Noticee to act as a registered Securities Market intermediary. Thus, I am of the view that the trading activities of the Noticee in '*paired contracts*' for its clients on NSEL platform have serious ingredients amounting jeopardizing the reputation, belief in competence, fairness, honesty, integrity and character of the Noticee in the Securities Market. The Noticee has also submitted that DA's reliance on the interim report of EOW is erroneous and misplaced and there are no specific charges made against the Noticee in the interim report. In this regard, I note that the Interim EOW report has been relied by DA only to demonstrate the involvement of the Noticee in facilitating the trading in paired contracts, even without the EOW report there is sufficient material on record to establish that the Noticee had indeed facilitated the trading in the '*paired contracts*'. Further, no reliance has been placed on the Hon'ble SAT's Orders in *Jermyn Capital* and *Mukesh Babu Securities*. Accordingly, I find that Noticee's contentions in this regard are misplaced and rejected.

35. I also note that SEBI, on the strength of certain documents/material (such as SEBI Complaint dated September 24, 2018 and FIR dated September 28, 2018, etc.) as provided to the Noticee with the hearing notice dated November 11, 2022, further alleged that in light of the aforesaid documents filed against the Noticee by SEBI as well as observations/ findings against the Noticee in the Enquiry Report dated August 29, 2019, the Noticee is no longer a '*fit and proper person*' for holding the Certificate of Registration being in violation of regulation 5(e) of the Stock Brokers Regulations read with Schedule II of the Intermediaries Regulations. I note that regulation 5(e) of the Stock Brokers Regulations provides that for the purpose of grant of Certificate of Registration,

the applicant has to be a '*fit and proper person*' in terms of Schedule II of the Intermediaries Regulations. I further note that the '*fit and proper person*' criteria specified in Schedule II of the Intermediaries Regulations, 2008, was amended vide SEBI(Intermediaries) (Third Amendment) Regulations, 2021 with effect from November 17, 2021.

36. In this context, as noted above, the Noticee is holding a Certificate of Registration granted by SEBI. In order to continue to hold such Certificate of Registration from SEBI, the Noticee is also required to satisfy the conditions of eligibility, which, *inter alia*, included, continuance of its status as a 'fit and proper person'. The above condition to be a fit and proper person is not a onetime condition applicable only at the time of seeking registration. Rather, the provisions governing the criteria show that this is a condition which each and every registered intermediary is required to fulfil on a continuous basis as long as the entity remains associated with the Securities Market as a registered intermediary and it is well within SEBI's jurisdiction and powers to adjudge the said fit and proper status of the market intermediaries in the interest of securities market. In case, pursuant to the grant of registration by SEBI, any evidence comes to the notice of SEBI that casts a doubt on the integrity, reputation and character of the registered intermediary, SEBI is well within the powers to examine the '*fit and proper*' status of such entity based on various parameters. Therefore, even if the Noticee was found to have fulfilled the '*fit and proper person*' criteria while granting the Certificate of Registration, in 2016, such an intermediary can still be assessed on being *fit and proper* at a later date. Furthermore, as and when the '*fit and proper*' criteria changes, the Noticee will be required to comply with the revised criteria, and in this instance, criteria as revised vide the amendments in November 2021. It is noted that parameters provided under paragraph 3(b) of the amended criteria of Schedule II of the Intermediaries Regulations lay down a list of disqualifications which, *inter alia*, includes the following:

(3) *For the purpose of determining as to whether any person is a 'fit and proper person', the Board may take into account any criteria as it deems fit, including but not limited to the following:*

(b) the person not incurring any of the following disqualifications:

(i) criminal complaint or information under section 154 of the Code of Criminal Procedure, 1973 (2 of 1974) has been filed against such person by the Board and which is pending;

37. In this regard, I note that an FIR has been registered with the MIDC Police Station, Mumbai, *inter alia*, against the Noticee on September 28, 2018 and the same is pending as on date and is subsisting and has not been challenged, quashed or stayed by any competent court *qua* the Noticee. The disqualifications listed under paragraph 3(b) of the amended criteria of Schedule II of the Intermediaries Regulations are unambiguously clear and no exemptions from such criteria has been provided. Once the disqualification is triggered, the 'fit and proper' person criteria is open for determination by SEBI. It is, therefore, noted that the disqualification provided in paragraph 3(b)(i) under the amended Schedule II of the Intermediaries Regulations is also triggered vis-à-vis the Noticee.

38. In view of the above observations and the finding that the Noticee had facilitated the trading in these '*paired contracts*' on NSEL, I hold that by virtue of the Noticee's participation/ facilitating in the trading in '*paired contracts*' on NSEL platform during the relevant period as a Trading Member/Clearing Member, the Noticee has violated the conditions of the 2007 Exemption Notification and also the provisions of FCRA. Further, as noted above, the Noticee has also attracted disqualifications under point 3(b)(i) of Schedule II and the act of Noticee in offering access to '*paired contracts*', as detailed above, also seriously calls into question the integrity, honesty and lack of ethical behavior on its part. These contracts, as stated earlier, were *ex facie* offered in violation of the 2007 Exemption Notification issued by MCA and different from the spot contracts in

commodities which were permitted to be traded on NSEL. The '*paired contracts*' were nothing but financing transactions which were portrayed as spot contracts in commodities. Therefore, giving go-by to the terms of the 2007 Exemption Notification and attempting to camouflage the nature of the transactions brings into question, the appropriateness and suitability of the continuance of the registration of the Noticee, as a broker. Equally, any argument on the lines that the clients approached the Noticee and demanded such access to the '*paired contracts*' and may have given business to someone else or that other persons were engaged in such conduct, does not detract the diligence required to be performed by any reasonable or prudent person including the Noticee, which cannot rely upon such client entreaties/threats or swayed by actions of others on the street. Clearly, the actions of the Noticee have been and could be detrimental to the interest of the Securities Market and accordingly the Noticee can no longer be called a '*fit and proper person*' for holding the Certificate of Registration as a broker in the Securities Market, which is one of the conditions for continuance of registration as specified in regulation 5(e) of the Stock Brokers Regulations read with the provisions of Schedule II of the Intermediaries Regulations.

39. In the context of Securities Market, I note that the role of a registered intermediary including a broker is not only sensitive and predominantly fiduciary in nature but also demands from it honesty, transparency, fairness and integrity which are essentially the hallmarks of such market intermediaries. Given the fact that one of the avowed objects of the SEBI Act is the protection of interests of investors apart from promotion and development of the Securities Market, the legislature through enactment, empowers SEBI to grant registration to several class of entities including brokers, which are not only required to act as an intermediary *simplicitor* i.e., a bridge or a connector between the markets and investors, but also has a very important role to play in creating an ecosystem of trust and fairness so as to provide a fair and secure market to the investors as any deviation from the above noted objective could

have a cascading adverse impact on the development of the Securities Market and interests of investors. Thus, undisputedly, a broker is obligated to act in a transparent manner and comply with all applicable regulatory requirements which are in the best interests of its clients and which will uphold the integrity of the Securities Market.

40. It is a trite law that when provisions of law prescribe certain acts to be done in a particular manner, the same is required to be honored in letter and spirit. Law does not provide any exception to anyone to perform such acts as per his whims and fancies that is not permissible under an extant legal framework. Therefore, if an exemption is granted in respect of all forward contracts of one-day duration for the sale and purchase of commodities traded on NSEL from operations of the provisions of the FCRA subject to compliance with certain conditions then it is obligatory on the part of a market intermediary to execute forward contracts of one-day duration only, subject to strict compliance with the said conditions.
41. It further needs appreciation that the issue under consideration is not to gauge the profit/loss incurred or likely to be incurred by an individual, but the limited scope of the present proceedings is to see whether the indulgence, engagement and promotion of such activities could be held to be beneficial to the development of Securities Market or the same contain elements that are potentially dangerous and detrimental to the interest, integrity, safety and security of the Securities Market. In this respect, the undisputed fact that the scheme of '*paired contracts*' traded on NSEL ultimately has caused loss to the market to the extent of ₹ 5,500 Crore itself casts serious aspersion on the conduct, integrity and reputation of, *inter alia*, the Noticee who participated in or facilitated such '*paired contracts*' and therefore, its continuing role in the Securities Market cannot be viewed as good and congenial for the interest of the investors or of the Securities Market.
42. Having examined and dealt with the contentions raised by the Noticee in the preceding paragraphs, I concur with the recommendation made by the DA. At

this juncture, I also note that necessity of specifying a period of time as stipulated by the SAT Order, after which the applicant may become eligible to seek registration does not arise in this order (unlike in the case of entities whose application seeking registration as an intermediary is pending) while dealing with an entity holding a certificate of registration which is recommended to be cancelled, as this forum cannot presume whether such entity would wish to reapply to be a market intermediary or not. If it chooses to do so, it will have to be assessed at such point of time if it is fit and proper as per the applicable provisions.

ORDER

43. In view of the foregoing discussions and deliberations, in exercise of powers conferred upon me under Section 12 (3) and Section 19 of the SEBI Act, 1992 read with regulation 27 of the Intermediaries Regulations, 2008 and upon considering the gravity of the violations committed by the Noticee viz. A C Agarwal Commodities Private Limited, the Certificate of Registration (bearing No. INZ000084536) of the Noticee, is hereby cancelled.
44. The Noticee shall, after receipt of this order, immediately inform its existing clients, if any, about the aforesaid direction in paragraph 43 above.
45. Notwithstanding the direction at paragraph 43 above, the Noticee shall allow its existing clients, if any, to withdraw or transfer their securities or funds held in its custody, within 15 days from the date of this order. In case of failure of any clients to withdraw or transfer their securities or funds within the said 15 days, the Noticee shall transfer the funds and securities of such clients to another broker within a period of next 15 days therefrom, under advise to the said clients.
46. The Order shall come into force with immediate effect.
47. It is clarified that in view of the amendment made *w.e.f.* January 21, 2021 in the Intermediaries Regulations, 2008, powers that were exercised under

regulation 28 of the Intermediaries Regulations, 2008 are now being exercised under regulation 27 of the Intermediaries Regulations, 2008. It is also noted that the above Order is without prejudice to the criminal complaint filed by SEBI in NSEL matter and/or any proceedings pending before any authority in respect of similar matter concerning the Noticee or other relevant persons.

48. A copy of this order shall be served upon the Noticee and the recognized Market Infrastructure Institutions for necessary compliance.
